

SUPPORTING THE ACORN JOURNEY IN SCHOOL

MORE THAN FIELD JOURNALS. A SHARED IMPLEMENTATION EXPERIENCE DESIGNED TO SUPPORT CURIOSITY, CONFIDENCE AND INDEPENDENT THINKING.

Acorn school partnerships are designed to help schools implement immersive thinking journeys with minimal workload and maximum flexibility.

WHAT SCHOOLS RECEIVE

OPTIONAL LAUNCH SUPPORT

Transition launches, assemblies or introductory sessions designed to help children and staff begin the journey together.

FLEXIBLE IMPLEMENTATION GUIDANCE

Suggested rhythms for tutor time, enrichment, PSHE or independent exploration – designed to fit around your school.

REFLECTION & DISCUSSION SUPPORT

Optional prompts and facilitation guidance designed to encourage discussion, curiosity and reflection.

SHARED COHORT EXPERIENCE

Shared missions create common reference points, conversations and belonging across cohorts and tutor groups.

STAFF SUPPORT MATERIALS

Lightweight implementation notes designed to support teachers without increasing planning or marking workload.

ONGOING COLLABORATION

Acorn is designed to grow collaboratively with schools, adapting naturally to different learners, cohorts and contexts.

IMMERSIVE EXPLORER MATERIALS

Depending on the implementation pathway, school journeys may include:

Field Journals

Explorer Passports

Interactive A3 Maps

Explorer Stationery & Tactile Resources

Reflection Prompts & Discussion Structures

Cohort Implementation Guidance

WHAT MAKES THE SCHOOL EXPERIENCE DIFFERENT

RETAIL

Premium standalone explorer experiences for families and individual learners.

VS

SCHOOL IMPLEMENTATION

Shared cohort journeys designed to build:

- curiosity
- confidence
- discussion
- belonging
- independent thinking culture
