Mr. Chairman and Members of the Finance Committee,

The following is the claims report for the period ending on October 31, 2025.

Per 55 ILCS 5/3-1005-1006) Sec. 3-1005 (a): Audit all claims against the county and recommend to the county board the payment or rejection of all the claims presented.

The following claims have been submitted for the County Board's review. The auditor has examined each claim to ensure accuracy, completeness, and compliance with applicable policies and guidelines. Each claim has undergone a thorough examination by the auditor, who is responsible for ensuring they align with county policies, budget guidelines, and legal requirements. The auditor reviews the claims for accuracy, completeness, and appropriateness, identifying any discrepancies or concerns. Following this process, the auditor issues a recommendation for approval or non-approval based on the findings. Based on this review, the auditor recommends the approval of the claims listed below.

After receiving the auditor's recommendations, the board takes formal action on the claims. The board carefully reviews each recommendation to ensure the claims meet county financial and operational standards. Upon authorizing payment for the approved claims, the board ensures that the county meets its financial obligations promptly. This process reflects the county's commitment to responsible fiscal management and ensures accountability and transparency in handling public funds.
