

ECONOMIC FORUM

RUSSIA - ZAMBIA:

PATH OF REGIONS.

Wednesday 15th October 2025.

University of Zambia

Slide 1: **Introduction**

- Victor Kalesha, President - Emerald and Semi-precious Stones Mining Association of Zambia (ESMAZ)
- Title: **"Lufwanyama Emerald Mining Restricted Area: A Premier Investment Opportunity"**
- Subtitle: **"Unlocking the Potential of Zambia's Emerald Wealth"**

Slide 2: **Location and Overview**

- Title: *"Lufwanyama Emerald Mining Restricted Area"*
- Strategically located in the heart of Zambia's emerald-rich Lufwanyama District, Copper-belt region, with access to established infrastructure and transportation networks.

Slide 3:

CHUMWE Mining Limited **A Ready-for-Investment Project**

Title:

- **"CHUMWE Mining Limited: A Project Ready for Investment"**
- High-potential emerald mining project with significant growth opportunities.

Slide 4:

Geology and Mineralization

- Title: "Emerald-Rich Geology and Mineralization"
- Overview of the geological setting, emerald-bearing pegmatites, and mineralization.

Slide 5: **CHUMWE's Potential**

- *Title:* **"Unlocking CHUMWE's Potential"**
- High-grade indicators of emerald deposits found, significant growth potential, and opportunities for exploration and mining.

Slide 6:

Reference Point - Grizzly Mining

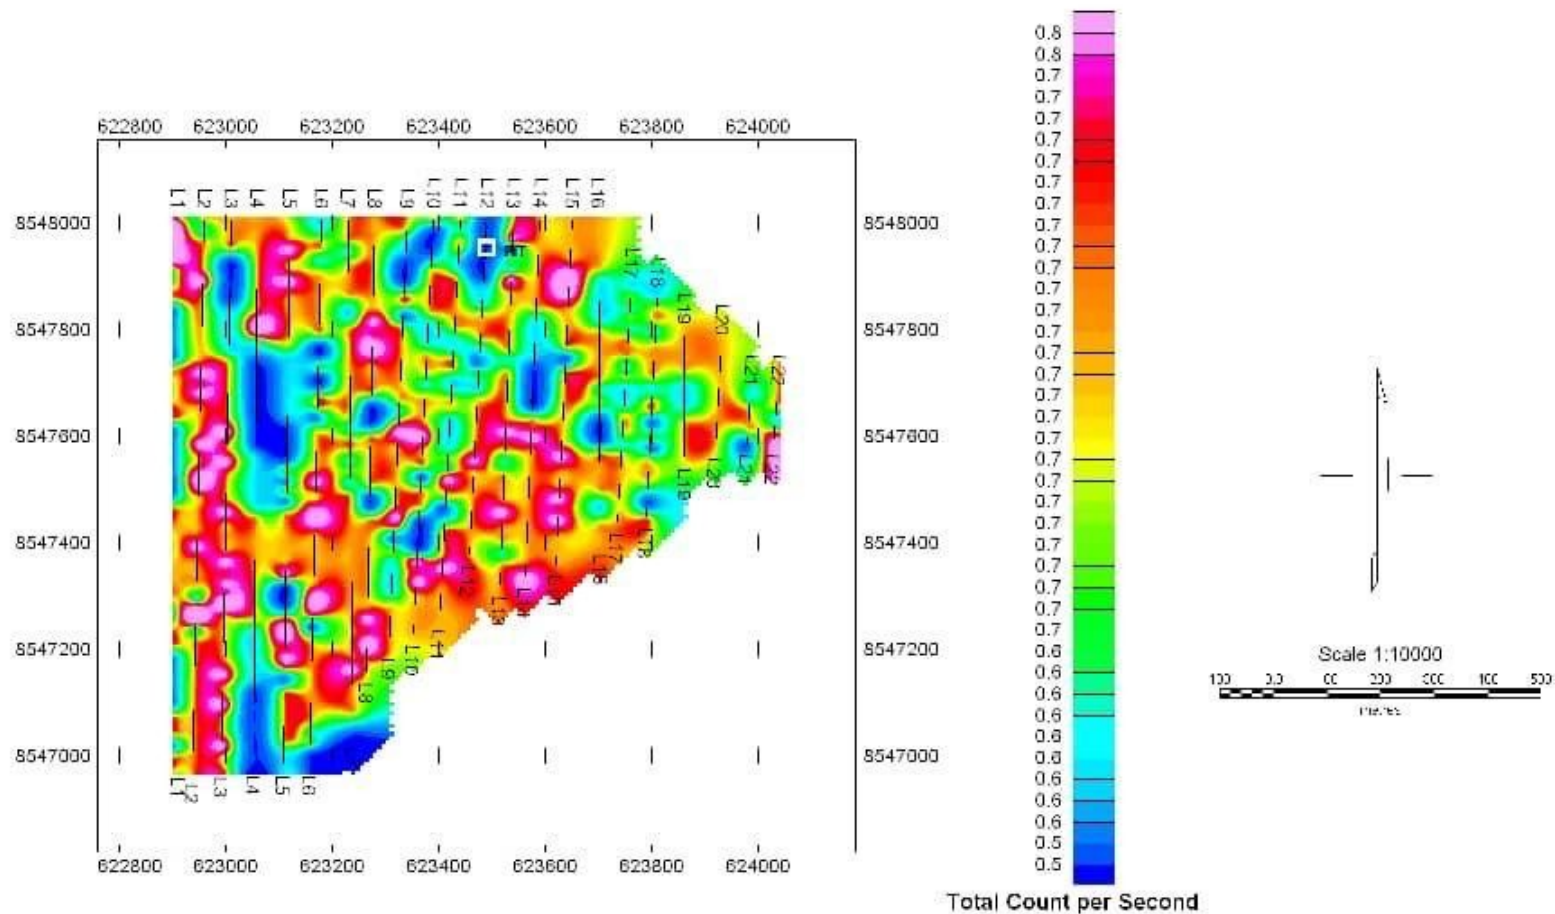

- Title: "Grizzly Mining: A Success Story"
- From zero to the second-largest emerald producing company in the world, Grizzly Mining is a testament to the potential of Zambia's emerald mining industry.

Slide 7: Investment Opportunity

- ***Title:* "Invest in CHUMWE Mining Limited and other mines in the emerald restricted area."**
- Join the next chapter in Zambia's emerald mining success story. Investment opportunities available for exploration, development, and mining.

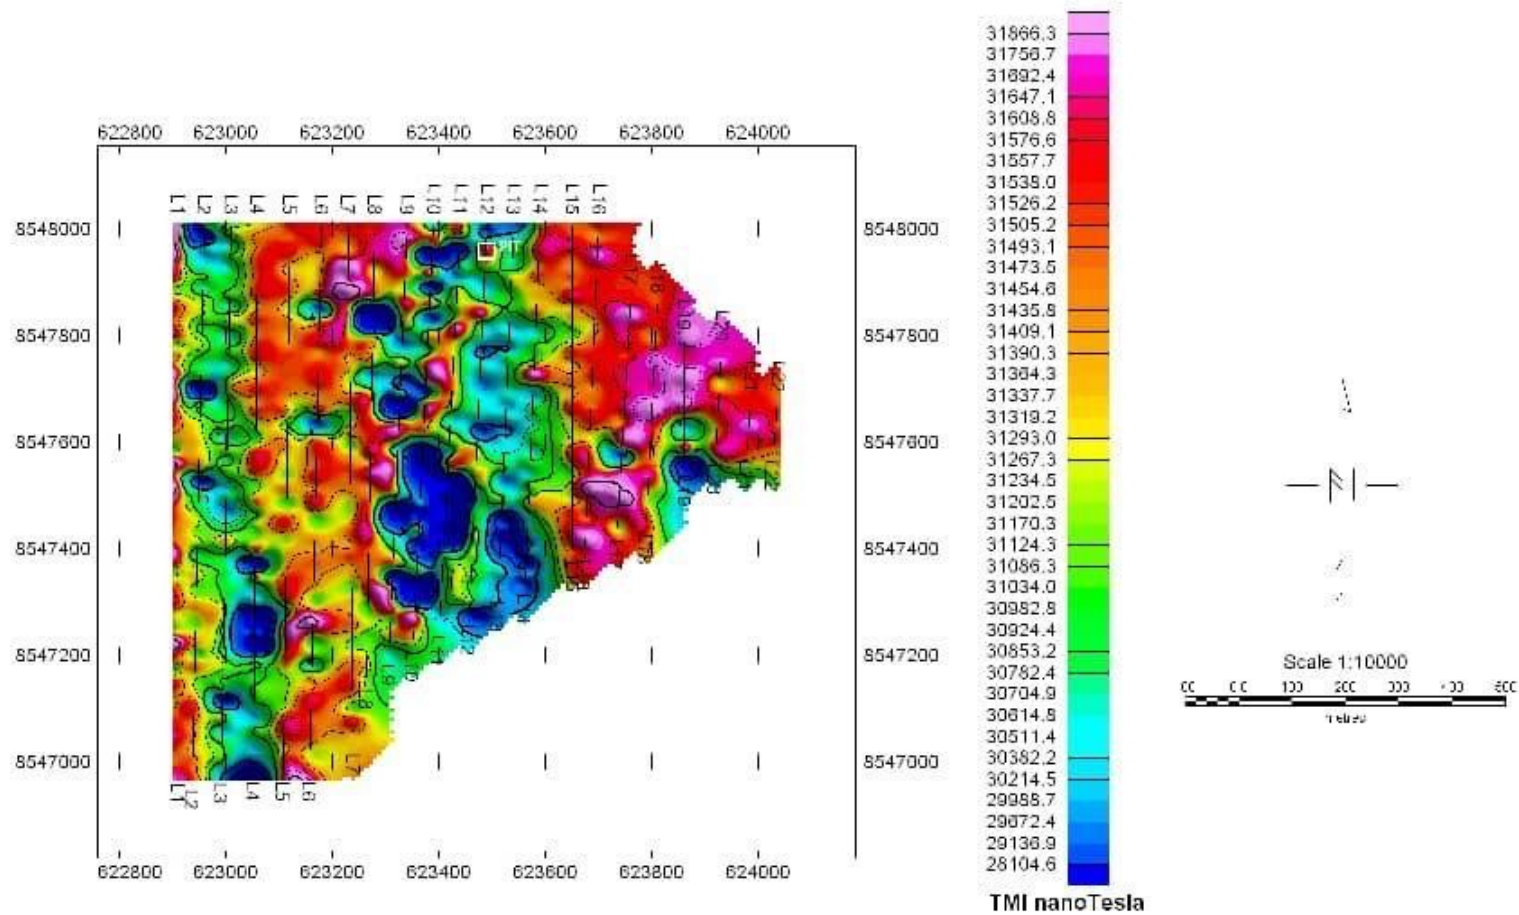

Slide 8: **Conclusion**

- Title: "Partner with Us"
- Join the journey to unlock the potential of Lufwanyama Emerald Mining Restricted Area and CHUMWE Mining Limited.
- Contact Information:
- Victor Kalesha
- CEO, CHUMWE MINING LIMITED
- Contact: +260966033770
- Email: vkalesha@gmail.com

Grizzly Mining Milestones

- Founded in 1997: Abdoulaye Ndiaye acquired first emerald concession in Zambia's Copperbelt Province.
- Steady Growth (1997-2019): Expanded operations, built washing plant, and auctioned emeralds in Zambia.
- Historic Discovery (2019): 50kg emerald discovery and first international auction in Dubai.
- Record-Breaking Revenue (2020-present): \$48.6 million in revenue from emerald sales, producing 60 million carats annually.
- Commitment to Sustainability: Invested in infrastructure, community development, and employee welfare.
- Result: Grizzly Mining is now one of the world's largest emerald producers, renowned for high-quality emeralds and responsible mining practices.
