

## Elite<sup>®</sup> gas furnaces come appointed with:

- Insulated blower compartment to minimize heat loss and maximize efficiency
- Designed to integrate with the PureAir<sup>™</sup> air purification system
- Sturdy burners reduce noise and maintain efficiency throughout the unit's life
- Patented clamshell design reduces air leakage from the unit, sending more heated air to the home
- Additional design elements, like pre-cut holes, pre-bent flanges, and factory installed flue collars, make the installation quicker and more precise
- Dual-fuel compatible with Lennox<sup>®</sup> heat pumps for added cost savings
