Our Story – The History of Gildersome Spurs Junior Football Club

Established in 1976, Gildersome Spurs Junior Football Club has been a cornerstone of football in Leeds, West Yorkshire, for nearly five decades. Founded with a passion for giving young people the opportunity to play the game they love, the club has since evolved into a respected and thriving football family with over 400 registered players, ranging from Under-5s through to open age, across boys', girls', and adult teams.

Over the years, Gildersome Spurs has built a proud reputation for nurturing footballers of all ages, with many players progressing through the ranks to play at higher levels of the game. Our teams, from the youngest age groups right through to adults, have celebrated numerous league and cup victories—a testament to the dedication of our coaches, volunteers, and the unwavering support of our players' families. But beyond the silverware, our biggest achievement has been the positive impact we've had on the lives of so many children and adults, teaching values of teamwork, discipline, and sportsmanship, and creating a lifelong love for the game.

In recognition of our deep-rooted commitment to football development and community engagement, Gildersome Spurs Junior Football Club became a registered Charitable Incorporated Organisation (CIO) on January 9, 2024. This milestone marks a new chapter in our journey, enabling us to further invest in our facilities, coaching programs, and future generations of players—both young and old—whilst supporting our mission of making football accessible to all and ensuring that everyone who walks through our doors has a place to belong.

As we look to the future, our vision remains clear: to provide a home for footballers of all ages to grow, learn, and thrive, both on and off the pitch. Gildersome Spurs isn't just a football club—it's a community, a legacy, and a place where lifelong memories are made.
