

## About

We offer customers in the appliance purchase process the insights and resources they need to select their home kitchen appliances with confidence!

## Appliance Buyer's Checklist

- Information to bring to the showroom with you to help the selection process.
- Self-assessment for your kitchen project and appliance needs.

## Rebate Finder

- See how much you could save on home and kitchen upgrades.
- There are many savings programs for energy-efficient appliances and upgrades.

## Chef Andrew Forlines

Fine dining chef and appliance technology consultant. National speaker on modern home kitchen appliances
