

Dear Parents,

As you may already know, our preschool is a registered charity and relies heavily on fundraising to continue operating. Your support is crucial to our success and we are incredibly grateful for it.

Like many other organisations, we are facing increasing costs such as building rent to the church and pay to staff in line with the rise in living costs. As a result, fundraising is more important now than ever.

We are fortunate to have a strong community of parents who have been incredibly supportive of our events in the past. We have held successful fundraisers such as sponsored walks, cake sales, and raffles.

As we move forward, we would be incredibly grateful for further contributions from our parents to our fundraising efforts. Whether it's volunteering at an event, making a donation, or simply spreading the word about our cause, every little bit helps.

Thank you once again for your support and we look forward to working with you in the future.

Best regards,

St Matthew's Pre School Committee
