

Welcome to our event at VIRginia International Raceway. Thank you for signing up to participate in this event. With your help, this will be an educational, exciting, enjoyable and, most of all, safe event.

Drivers are financially responsible for any and all damages they make to a facility and its parts, including those that result from any on-track incident such as contact with foam barriers, guardrails, etc. You will be billed by TrackDaze for any damage you incur to the facility. The only insurance covering drivers and their vehicles at the facility is their own.
