**WHO YOU ARE
IN CHRIST**

BUNK 47
MINISTRIES

Brother,

Thanks for downloading this resource. If you're here, it means you're searching for truth about who you really are in Christ. The world will try to define you by your failures, your past, or the sins you struggle with. But God's Word tells a different story. When a man belongs to Jesus Christ, his identity is no longer defined by sin or shame, but by what Christ has done for him on the cross.

These 30 verses are here to remind you of that truth. They are not motivational quotes—they are the living Word of God. Read them slowly. Come back to them often. Let them reshape the way you think about yourself.

Scripture tells us that we are transformed by the renewing of our minds (Romans 12:2), and the Word of God is how that renewal begins.

If you are in Christ, you are forgiven, redeemed, chosen, and deeply loved. When doubt or shame tries to creep back in, come back to these verses and remind yourself what God says is true.

At **Bunk 47 Ministries**, our mission is simple: We believe no man has to stay where sin left him. Freedom In Light moves men from hidden shame into honest community, from isolation into brotherhood, and from darkness into the life-changing light of Jesus Christ — one courageous step at a time.

And remember: "Greater is He who is in you than he who is in the world."
And remember: "Greater is He who is in you than he who is in the world."
(1 John 4:4).

Stay in the fight.
Stay in the fight.

When You Need an Attorney

This helps men understand when and why to seek qualified legal counsel, particularly when facing potential legal exposure related to pornography use. It walks through the critical importance of attorney-client privilege, explains why contacting an attorney is not an admission of guilt, and provides practical guidance on how to find and reach out to a federal criminal defense attorney. The guide includes a comparison between what a ministry fellowship can offer versus what only a licensed attorney can provide, along with trusted attorney directory resources and a sample call script to help men take that first step with confidence.

Legal Exposure & CSAM

This guide from provides clear, compassionate education on federal laws surrounding Child Sexual Abuse Material – written specifically for men whose pornography addiction has led them into dangerous legal territory. It explains the key federal charges (possession, receipt, distribution, and production), how federal sentencing enhancements stack, and why common assumptions – such as believing a VPN provides protection, that deleted files are gone, or that illustrated and AI-generated content carries no legal risk – are dangerously false. The guide is not legal advice, but it equips men with the knowledge they need to understand their situation clearly and take the most important next step: consulting a qualified federal criminal defense attorney before doing anything else.
