

JOB ANNOUNCEMENT: LAUNDRY OPERATIONS SPECIALIST

H&M Laundry LLC is seeking three professional and reliable **Laundry Operations Specialists** to join our team. We provide high-volume laundry management solutions engineered for high-demand environments, servicing bulk linens, towels, and personal work clothing.

COMPENSATION & SCHEDULE

- **Starting Pay: \$20.00 per hour.**
- **Structure:** 30 hours per week (5 days a week).
- **Shift Schedule:**

Personnel	Shift Start	Shift End	Total Hours
Staff A	09:00	15:00	6 Hours
Staff B	10:30	16:30	6 Hours
Staff C	12:00	18:00	6 Hours

CORE RESPONSIBILITIES

- **Industrial Throughput:** Operate a matched fleet of industrial-grade Speed Queen and UniMac washers and dryers to process bulk linens, towels, and personal work clothing.
- **Standardized Processing:** Execute an "All-in-One" professional wash, dry, and fold service for individual clothing where all items are processed together in a single load.
- **Digital Accountability:** Utilize the **CleanCloud** mobile platform and personalized QR codes to track every order from pickup to delivery.
- **Intake & Weighing:** Weigh all items upon receipt to calculate service fees and log order details accurately in the system.
- **Network Redundancy:** Support operations across a strategic facility network to ensure zero service interruptions.

REQUIREMENTS

- **Commute:** Must be willing and able to commute between facility locations in **Cascade, Donnelly, and McCall.**
- **Efficiency:** Ability to maintain production metrics at approximately 90% capacity to allow for loading, unloading, folding, and maintenance buffers.
- **Logistics:** Coordinate with logistics teams at designated regional transfer points for streamlined pickup and delivery.
