A proactive and flexible **videographer** with a love for **cinematography** and **visual storytelling**. Experienced in **camera operating, video editing, pre-production and conceptualisation**. I bring a friendly, hard-working and professional attitude to all areas of work. Keen to apply technical and creative skills to a role that will broaden knowledge and encourage progression.

Key Skills

- Proficient in **Premiere Pro, DaVinci Resolve, After Effects, Photoshop and Lightroom**.
- Shooting with **Sony, Canon, Lumix and Fuji** cameras.
- **Sound recording** and cleaning audio tracks.
- **Pre-production** planning and documentation.
- Strong knowledge of **cinematic lighting**.
- **Directing** talent, studio guests and audience members during productions and live shoots.

Work History

Freelance - London/Remote (Videographer & Video Editor) August 2023 - Current

- McLaren F1	Promo, Social	(Videography)	Mar 2024 - Current
- Unbreakable	Documentary, Social	(Videography/Photo)	Aug 2023 - Current
- University of Birmingham	Brand	(Video Editing)	April - Oct 2024
- London Broncos	Promo, Social	(Videography)	June - July 2024

- Kenny Aries	Music Video	(Videography)	Feb 2024
- Outside Rooms	Corporate	(Videography)	Aug 2023 - Jan 24

Fnatic - London (Videographer) June 2022 - June 2023

- Created engaging long and short form content as part of the in-house studio team, working alongside editors, producers and graphic designers. I worked on Documentaries, Promos, Events, YouTube and Social Media Content.
- Operated mirrorless and cinema cameras in studio environments, on location and overseas.
- Edited and graded footage to a high standard, to be used on the brand website, YouTube and social media channels.

Electric House - Birmingham (Videographer) June 2021 - June 2022

- Filmed and edited a wide variety of video content for companies such as Holland & Barrett, Wilko, Bosch and more.
- Planned shoots and worked alongside the producer and production assistant to fit the needs of the client.
- Took the lead of all video, lighting and audio elements during shoots and quickly turned around high-quality edits while working to tight deadlines.

Sainsbury's Learning & Design Team - Coventry/Remote (Media Developer) May 2020 - June 2021

- Created eLearning video content for Sainsbury's, developing creative ideas into engaging educational content. I solo led video productions taking charge of camera, sound, lighting and direction.

Open Lens Media - Birmingham (Media Facilitator) July 2019 - May 2020

- Led media workshops for children and young adults, teaching core skills in Filming, Editing, Interviewing, Project Management and Social Communication.

CLGdotTV - London / Birmingham (Camera Operator & Video Editor) April 2019 - May 2020

- Broadcasted and directed live and on-demand WebTV programmes about local government and public services.

Education - Birmingham City University | 2015 - 2018 | Bsc Film Technology & Visual Effects (Hons) | 2:1
