

Part code: 5749

Sector: Commercial Vehicle

Issue No: 2

Issue Date: 01/06/24

MAXIFLEET ENGINE OIL 20w50

Mineral heavy duty engine oil

Application

A cost-effective heavy duty engine oil suitable for older generation vehicles. Designed to meet the stated manufacturer specifications.

Features & Benefits

- Using modern day technology for added protection in older applications
- Suitable for some automotive applications ideal for use in mixed fleets
- A multiple application product suitable for use in both on and off road applications

Typical Characteristics

Density @ 15°C, g/ml	0.889
Kinematic Viscosity @ 100°C, cSt	18
Flashpoint, °C	>200
TBN, mgKOH/g	7
