

TECHNICAL DATA SHEET

Product code: 8323 **Sector:** Automotive (Passenger car & LCV) **Issue No:** 2 **Issue Date:** 17/01/23

Trident Professional MTF 75w90

Synthetic gear oil for use in gearboxes, transfer cases & differentials.

Application

A professional gear oil suitable for the latest gear technology and current specifications. Recommended for gearboxes requiring a 75w90 viscosity meeting the below industry specifications.

Suitable for

API GL-4, GL-5

Typical Characteristics

Density @ 15°C, g/ml	0.869
Kinematic Viscosity @ 100°C, cSt	14.4
Flash Point, °C	>220

Features & Benefits

- Excellent low temperature flow when cold starting, helping to instantly protect vital components.
- Viscosity stability at high temperatures, delivering reduced wear and tear on the gearbox and its components.

Technical & Health and Safety
