MB 229.1

Suitable for

This product is a moderate detergent premium SAE 15w40 multigrade mineral engine oil. High quality solvent refined base oils with latest technology performance additives and shear stable viscosity index improver. It is specifically engineered for classic cars incorporating modern filtration systems, and is formulated with ZDDP (zinc/phosphorus).

Features & Benefits

- Incorporates modern additive technology with period viscometrics to provide the optimum lubrication characteristics.
- Suitable for higher mileage applications where oil consumption is a problem as high viscosity helps to reduce oil loss and leakage.
- The modern technology ensures an oil which will meet up to date specifications along with meeting the 'period' performance requirements.
