**FREIGHT FORWARDING
AND LOGISTICS**

Mission & Vision.

MISSION

- To be the leading provider of innovative and efficient logistics solutions in the Maldives, exceeding customer expectations through our commitment to speed, reliability, and excellence.

VISION

- To establish Celeritas Maldives Pvt Ltd as a globally recognized brand synonymous with exceptional logistics services, driving economic growth and development in the Maldives.

"Efficient freight forwarding is the backbone of a successful business."

Our Philosophy.

At Celeritas Maldives Pvt Ltd, we believe in:

Customer Centricity: Placing our customers at the heart of everything we do, ensuring their satisfaction and loyalty.

Innovation: Embracing technological advancements and innovative approaches to stay ahead of the curve and provide cutting-edge solutions.

Efficiency: We strive for operational excellence and optimize our processes to deliver timely and cost-effective services.

Integrity: Adhering to the highest ethical standards and maintaining transparency in our business dealings.

Social Responsibility: Contributing positively to the communities we serve and promoting sustainable practices.

The Organization.

Celeritas Maldives Pvt Ltd is a well-structured organization with a team of dedicated professionals with a wealth of logistics industry experience. Our team is equipped with the latest tools and technology to ensure efficient operations and provide exceptional service.

Services Offered:

Freight Forwarding:

• Ocean Freight (Import & Export)

Ocean freight is a cornerstone of our multimodal transportation services. Our dedicated Ocean Freight Department specializes in a comprehensive range of solutions, including:

- **Full Container Load (FCL) and Less than Container Load (LCL)**
- **Break-Bulk and Project Cargo**
- **Various Cargo Types**

By leveraging our global network and strong partnerships with leading ocean carriers, we offer our clients cost-effective and efficient solutions. Our services extend beyond port-to-port shipments, encompassing the entire door-to-door supply chain.

Key Services:

- **Import and Export:** FCL and LCL
- **Documentation:** Issuance and verification of shipping documents
- **Customs Clearance:** Export and import customs clearance
- **Packaging:** Certified industrial packing, crating, and household goods packaging
- **Logistics:** Warehousing, assembly, and distribution
- **Financial Services:** Letter of credit processing
- **Specialized Services:** Part and full vessel chartering, conventional shipments, Volga-Don Sea/River navigation, Sea/Air, Sea/Road, and Sea/Rail intermodal services, and transport and marine insurance.

• Air Freight (Import & Export)

Celeritas Maldives offers tailored air freight solutions to meet the unique needs of our clients. We understand the critical nature of time-sensitive and high-value shipments. Our dedicated Air Freight Department ensures timely and reliable delivery by:

- **Customized Service Plans:** Developing bespoke solutions to meet specific customer requirements.
- **Operational Excellence:** Implementing rigorous operational procedures to maintain quality standards.
- **Real-Time Tracking:** Providing up-to-date shipment status updates for complete visibility.

Specialized Services:

- **Oversized Cargo:** Expert handling of oversized and out-of-gauge shipments, including part and full charter services.
- **Sensitive Commodities:** Specialized handling of hazardous, live animal, aerospace, fashion, automotive, oil and gas, pharmaceutical, and precious metal cargo.

Core Services:

- Import and Export Consolidation and Deconsolidation
- Pick, Pack, Assembly, and Distribution
- Split and Full Charter Services
- Global Door-to-Door Delivery
- Sea-Air and Road-Air Combinations
- Customs Clearance
- Pick-up and Delivery
- Packaging and Crating

By leveraging our expertise and global network, we ensure the efficient and secure transportation of your valuable goods.

• Land Transportation (Domestic & International)

Celeritas Maldives offers comprehensive road transportation solutions that seamlessly integrate with our multimodal services. We connect major trade centers across Europe, China, and the CIS, providing reliable and efficient land-based transportation.

Core Services:

- **LTL and FTL:** Regular scheduled departures to and from key cities.
- **Specialized Transportation:** Handling of heavy-weight, oversized, project, dangerous, and perishable goods.
- **Value-Added Services:** Assembly, synchronous positioning, customs clearance, customs escort, household goods transportation, contract logistics, procurement, distribution, GPS tracking, domestic trucking, customs bonded transportation, and various other value-added services.

Our team of IRU-certified professionals is committed to delivering exceptional service and has been recognized as one of the best road haulers in the CIS.

• **Multimodal Transportation**

Celeritas Maldives offers comprehensive multimodal transportation solutions, combining various modes of transport (sea, air, and land) to optimize efficiency and cost-effectiveness. Our expertise in seamlessly integrating these modes enables us to provide tailored solutions for complex supply chains.

Key Benefits:

- **Reduced transit times:** By utilizing the fastest mode of transport for each leg of the journey.
- **Enhanced flexibility:** Adapting to changing market dynamics and customer requirements.
- **Cost optimization:** Leveraging economies of scale and strategic routing.
- **Risk mitigation:** Minimizing potential disruptions and delays.

Through our strong network of partners and in-depth knowledge of global logistics, we ensure the smooth and timely delivery of your goods, regardless of their origin or destination.

Customs Clearance:

Celeritas Maldives is widely recognized as one of the leading customs brokers in the Maldives. Celeritas has long-standing professional relationships with government agencies and this hard-earned and privileged status delivers a distinct advantage when it comes to negotiating difficult consignments and dealing with the challenges of bureaucratic procedures in Maldives.

Key Services:

- **Import and Export Customs Clearance:** Expediting the clearance process to minimize delays.
- **Customs Valuation:** Accurate assessment of customs duties and taxes.
- **HS Code Classification:** Correct classification of goods for duty and regulatory purposes.
- **Customs Documentation:** Preparation and submission of all required documentation.
- **Customs Consultancy:** Providing expert advice and guidance on customs regulations and procedures.
- **Bonded Warehousing:** Secure storage and handling of goods in customs-bonded warehouses.

By leveraging our strong relationships with customs authorities and in-depth knowledge of local regulations, we help clients minimize costs,

Project Logistics:

Handling complex projects and moving oversized and heavy-lift cargo requires expertise. Our experienced team is dedicated to researching options, identifying challenges, and responding swiftly to unforeseen circumstances.

We break down project logistics into manageable components and assign dedicated project managers. Our team conducts site visits to gain firsthand knowledge of project requirements. A dedicated project coordinator oversees all aspects of communication, logistics, and transportation, ensuring seamless client interaction.

Our Project Logistics Services Include:

- **Customized Project Planning:** Tailored solutions to meet specific project needs.
- **Feasibility Studies and Route Optimization:** Identifying optimal routes and logistics strategies.
- **Cargo Handling and Transportation:** Expert handling of oversized, heavy-lift, and specialized cargo.
- **Chartering Services:** Full and partial charter services for ocean and air transport.
- **Packaging and Crating:** Secure packaging and crating for sensitive and valuable cargo.
- **Supply Chain Management:** Procurement, inventory management, and supply chain optimization.
- **Insurance:** Comprehensive insurance coverage to protect against risks.
- **Customs Clearance:** Efficient customs clearance procedures.
- **Pre-shipment Inspection:** Quality control and compliance checks.
- **Cargo Surveying:** Assessing cargo condition and potential risks.
- **Documentation and Compliance:** Accurate and timely documentation for smooth customs clearance.
