

YES ON PROPOSITION E

**Prop E Will Keep
Our City Working**

The Earnings Tax funds our city. Everything from paying our police to trash pickup relies on the Earnings Tax.

**ST. LOUIS IS
MAKING PROGRESS.**

Let's not stop now.

**VOTE YES ON
PROPOSITION E**
ELECTION DAY APRIL 7

Keep St. Louis Working!

Our city government is working again. Crime is down, our potholes are getting filled, and our trash is getting picked up. Even the response to the recent snowstorm proved city government can work efficiently.

“That's why we must vote **YES** on **PROPOSITION E**. Without the Earnings Tax, our city services will be drastically cut—emergency services, sanitation, and more.”

***St. Louis can't afford to lose
the Earnings Tax.***
