Offshore Business Setup Assistance: Labuan, Malaysia

For investors and entrepreneurs wishing to form an offshore business in Malaysia, specifically in Labuan International Business and Financial Centre (Labuan IBFC), one of Asia's most respected offshore administrations, we offer full consultation and setup assistance through our trusted license partner company. In order for you to benefit from Malaysia's strategic business advantages, tax incentives, and stable regulatory environment, we want to make the procedure easy, compliant, and effective.

Our Services Include:

1. Business Consultation & Structure Planning

- Guidance on the most suitable **offshore company type** (e.g., trading, holding, investment, or service company).
- Explanation of **Labuan vs. onshore (Sdn. Bhd.) setup** benefits and requirements.
- Advice on shareholding structure, paid-up capital, and compliance obligations.

2. Company Incorporation

- Preparation and submission of incorporation documents with the **Labuan Financial Services Authority (LFSA)**.
- Assistance in name reservation, registration, and issuance of company incorporation certificates.

3. Corporate Bank Account Opening

- Coordination with Malaysian and international banks to open **offshore corporate accounts**.

4. Registered Office & Secretarial Services

- Provision of a **registered Labuan office address** and **company secretary services**.
- Ongoing compliance support including annual returns, bookkeeping, and record maintenance.

5. Tax & Regulatory Compliance Advisory

- Expert advice on **Labuan's low-tax regime**.
- Guidance on **substance requirements** and compliance with Malaysian tax laws.
- Assistance with **accounting, audit, and annual filing** obligations.

6. Work Permit & Visa Assistance

- Support for obtaining **Labuan Work Permits, Dependent Passes, and Employment Visas** for company directors.
