1. All events are held under the Rules and Regulations of the American Kennel Club, Inc. By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of the event in which they have entered. All exhibitors shall obtain and review a copy of the regulations for Scent Work Trials by downloading them from the American Kennel Club website.
2. Sniffin Around STL Scent Work Club, its agents; AKC, its agents and its employees; assume no responsibility for any loss, damage, injury or illness sustained by spectators, exhibitors or handlers, or to any of their dogs or property, and further assumes no responsibility for injury to children. AKC and Sniffin Around STL Scent Work Club are not responsible for any loss, damage, accidents, illness, or theft. No one shall have any recourse or claim against Sniffin Around STL Scent Work Club or any official thereof.
3. In order for the trials to run efficiently workers, volunteers and Judge's dogs will be given priority in run order, which means they will be allowed to jump to the front of the line at any time.
4. Judges are not required to wait for dogs. The owner and/or designated handler of each dog is solely responsible for having it ready at ringside when its class is to be judged. The host club, event committee, and/or Trial Secretary have no obligation or responsibility for providing service through a public address system, or stewards or runners for the purpose of locating dogs that are not brought into the ring when required.
5. No unentered dogs allowed on the event grounds (unless they are being used for demo dog).
6. During searches dogs must wear a properly fitted collar or harness approved by the Judge. Leashes may be of any length.
7. All dogs must be on leash at all times, including when waiting in the search area before and after the search. An off leash option may be offered, at the discretion of the Judge.

10. The club shall designate a warm-up area. One labeled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run.
11. Absolutely no alcoholic beverages or illegal drugs will be allowed on the grounds or in the buildings on the day of an AKC licensed event.
12. It is expressly understood that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Committee, be asked to leave the show site. In that case, no refund of any fees paid will be made. AKC will vigorously support any facility that files a complaint about exhibitors who fail to keep their dogs quiet or to clean up after them. In order that the bad conduct of a few exhibitors does not spoil it for the majority of responsible exhibitors, AKC will take strong disciplinary action against any offenders.
13. It is not appropriate to scout/visit the trial location prior to the trial date. Many search locations are real-life environments and such visits may risk the host losing the opportunity to use the location in the future.
14. Possession of Odors and Training: Chapter 5 Section 35 of the Scent Work Regulations state, "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. - **VOLUNTEERS NEEDED**

It takes a lot of workers, each putting in a little bit of time, to make a scent work event a success. Volunteering is a wonderful learning experience as you get to observe other teams in action. No experience is necessary. All volunteers also entered in the trial are allowed to skip the line to run their dog, to be able to return back to their "assigned volunteer job" as quickly as possible. All volunteers will also be provided with a free lunch the day of the event. Plus all volunteers will earn one ticket, good for an entry into a drawing for a volunteer basket that includes a voucher good for one entry of any element (does not include detective) for any future scent work trial offered or an auditing spot at a future seminar offered by Sniffin Around STL Scent Work Club. Please consider volunteering! If interested in volunteering,
