

Company Overview

Arc Angel Communications LLC delivers expert consulting, public relations, and inclusion strategy services that help corporations, public agencies, and nonprofits achieve measurable, lasting outcomes. Founded by a two-time Massachusetts State Agency Head and Presidential Appointee, Arc Angel unites policy expertise, strategic communications, and innovation to help partners achieve high-impact outcomes.

Core Competency Pillars

I. Strategic Vision & Systems Leadership

- Strategic communications and policy innovation
- Executive training for boards and leadership teams
- Accessibility and risk mitigation frameworks
- Organizational performance improvement systems

II. Governance & Ethical Authority

- Program compliance and continuous improvement assessments
- Certification readiness and audit alignment
- Public trust and reputation management
- Data-driven reporting and accountability

III. Innovation, Inclusion & Market Creation

- Inclusive program design and benchmarking
- Disability inclusion and accessibility consulting
- Made-in-USA In-House promotional manufacturing capabilities
- Cross-sector communication and outreach strategy

IV. Human Capital, Resilience & Purpose

- Executive coaching and professional development
- High-impact keynote and media engagement
- Mentorship, culture building, and values-based leadership
- Faith-guided organizational purpose and resilience

Key Differentiators

- Two-Time State Agency Head: Proven executive leadership with deep experience.
- Certified Disability-Owned Business: Adds supplier-diversity and inclusion value.
- Made-in-USA Manufacturing: In-house production for fast, controlled delivery.
- Presidential Appointee & Senior Advisor: Trusted at the highest levels.
- Board Member, \$950M National Organization: Brings deep high-level experience.
