Abhedya Education and Welfare Society

April 2025 Edition

Extending our helping hands to Nagaland

We're proud to share that Abhedya is now extending its support to the remote regions of Nagaland, where access to basic education and hygiene remains a critical challenge for many communities. In collaboration with Colonel Archit of the Assam Rifles, a gallantry awardee and a true champion of social causes, we are initiating efforts to address a crucial and often overlooked

issue — female hygiene.

Our mission is to raise awareness, provide essential hygiene resources, and empower women and girls in these underserved areas with knowledge and dignity.

SPONSORED

We extend our heartfelt thanks to Shashidhar Jayaram ji and Kirti Rai ji for generously supporting Ritika Kanash by contributing towards her annual school fee. Ritika, a bright student of Class 6, from our village Kekadiya, can now continue her educational journey without any interruptions in the coming session. Your support is not just financial—it's a step towards her dreams.

Meat a bright and talented 10-year-old girl from a humble family of four. Despite financial struggles, her parents—a hard-working auto driver and a dedicated housemaid—are determined to give her the gift of education. Our Patron Shalini ji sponsored her annual school fee. She takes regular English classes for our students from overseas.

ACHIEVEMENT

Proud Moment for Our Village!
We are very happy to share that Mukesh Tomar, 28, an NLIU Bhopal graduate and a brilliant advocate from our village, has been selected as an IBPS (Institute of Banking Personnel Selection) Specialist Officer (Law Officer) at Punjab National Bank! Mukesh has consistently proven his dedication, talent, and perseverance — and this achievement is a testament to his hard work and determination. Please join us in congratulating him and wishing him all the very best for a bright and impactful future ahead!

WELCOMES and CELEBRATIONS

Tying the knot!

Heartiest congratulations to Vinod Solanki, a dedicated team member of Abhedya, on his marriage! A proud member of the Barela tribe, Vinod is known for his dedication and hard work. We wish him and his partner a life-time of love, happiness, and togetherness.

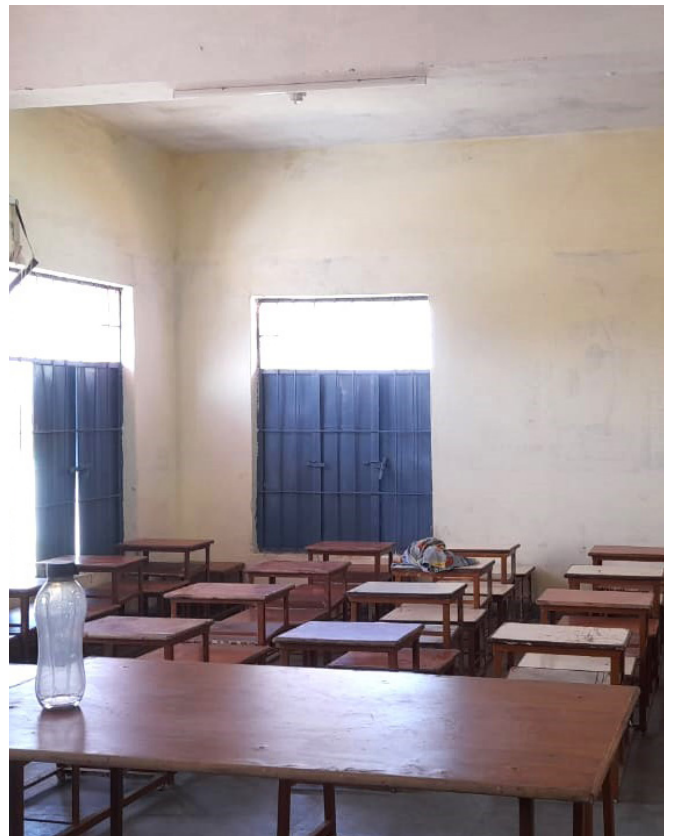

Joining the team

We recently welcomed a new member to the Abhedya team — Reshu Singh, a dedicated 22-year-old who has joined us to help with content writing and social work..

Supporting Education, Rain or Shine!

Abhedya has once again stepped in to support the Government School of Kekadiya. This time, we focused on waterproofing the classrooms—a crucial step to ensure that learning continues uninterrupted, even during heavy rains. By addressing this need early, we aim to reduce absenteeism and maintain a safe, welcoming environment for students. With around 250 children expected to enroll in the upcoming academic session, creating a nurturing and well-equipped space remains our priority.

Summer Internship

Embrace the possibilities
of a lifetime experience
in urban life and social
service. Join us for
summer internship
program from April 1st
