

Heritage walk for our Daughter

One of our bright students, Resham Baghel, is currently learning at a heritage walk in Agartala! As she embarks on her journey into the world of Sanskrit and Dharma, Abhedya is ensuring she gains firsthand experience of India's rich history and cultural traditions. Exploring these historical temples will deepen her understanding and inspire her future path.

Awareness amongst youngsters

To promote social awareness and educate young minds about historical events, we organized a special screening of the movie Chhava for youngsters. The event saw enthusiastic participation from approximately 165 college students from Bhopal, Kekadiya, Sehore, and nearby villages.

We also organized a special screening of the historically significant movie Kashmir Files for village students in our community hall, providing them with valuable insights into historical events.

We are excited to welcome new artists, Gagan and Priyanka, to our art project! They join our talented team of local artists—Resham, Payal, and Shobha—who are carving out their niche in the art market with their traditional artistry. Through their work, they not only showcase local heritage but also support their community.

Winter clothes distribution for children

We distributed winter clothes to children in the nearby villages of Ratnakhedi, Salikheda and Neembukheda. Our team visited local schools, ensuring that students of all ages received essential warm clothing to stay protected during the cold season. A heartfelt thanks to our generous patrons for their unwavering support in making this possible!

Temple for villagers

Our village lacked a temple, forcing locals to travel to neighboring villages for worship, especially during festivals. To address this, a temple is being built by the contribution of the villagers, ensuring easy access for everyone and fostering a stronger sense of community and devotion.

Abhedya Education and Welfare Society
