Holi ki Shubhkamnaye

# Bhagoriya Mela: Keeping traditions alive

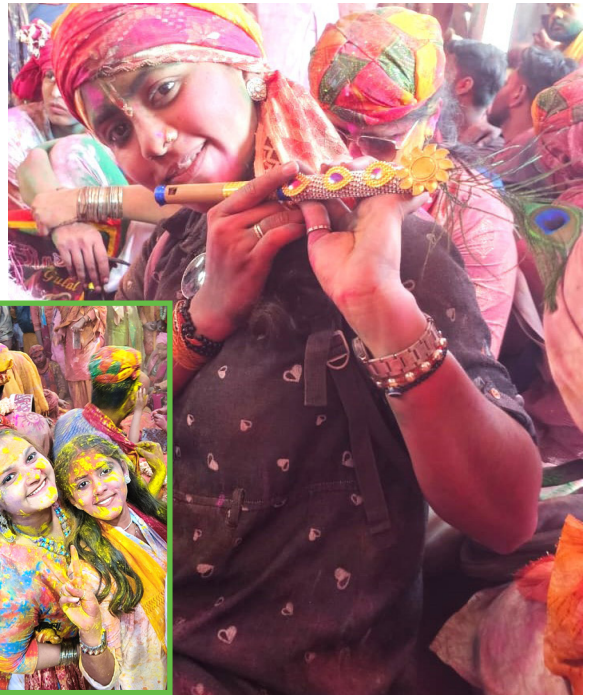

The traditional annual Bhagoriya Mela was held near our village, Kekadiya, drawing around 300-400 vibrant villagers. The event showcased the rich cultural heritage of the tribal community, featuring the exhilarating Dhol competition and captivating tribal dance performances. The mela was inaugurated by Rameshwar Sharma, MLA (MP), who appeared to thoroughly enjoy the rhythmic beats of tribal music, immersing himself in the festive spirit.

## A Holy experience on Holi

We welcomed Reshu Singh, a bright 22-year-old student (MA history). To deepen her understanding of our rich cultural heritage, we sent her to the heart of Holi celebrations—Mathura & Vrindavan! Immersed in the vibrant festivities, she experienced firsthand the spiritual essence and significance of Holi. From the divine colors of Lathmar Holi to the soulful chants in Krishna's land, Reshu returned with newfound knowledge and unforgettable memories!

Janki Dohre, 26, a brilliant and dedicated scholar from Bhanpur, Kekadiya, has successfully cleared the MP SET and UGC NET exams. With this achievement, she is now qualified to become an assistant professor not only in Madhya Pradesh but across India whenever vacancies arise. We are proud to have supported her with study materials and resources at various stages of her journey.

# Summer Internship program kicked off

Our summer internship program is off to an exciting start! Interns from Excellence College, Bhopal visited our village, interacting with students and immersing themselves in the community. As part of their internship, they are volunteering to teach and mentor young learners, making a meaningful impact on their education.

**Join our Summer Internship Program  
starting April 1st, open to students from all streams!**
