

Summer Internship in full swing

We're happy to share that students from universities and colleges across Bhopal are actively engaging in our village projects through our summer internship program. Students from BSSS are gearing up to organize a 15-day summer camp for village school kids, starting June 2nd. To ensure these amazing children don't miss out on the joys, fun, and learning that urban kids usually enjoy during summer vacations.

This camp will be packed with activities, games, and learning moments designed to make them feel special, valued, and celebrated. We welcome volunteers, supporters, and well-wishers in any capacity — helping on the ground, contributing resources, or spreading the word. Help make this summer unforgettable for these kids!

MP Government's "Ladli Utsav"

MP Government's "Ladli Utsav" program, initiative to encourage females organized by the Madhya Pradesh Government, was celebrated with great enthusiasm in our village, Kekadiya.

Government officials visited to join hands with the girls and women of the village, marking the occasion with meaningful activities — including tree plantation, Kanya Pujan (honoring young girls), lighting of the ceremonial lamp, and sharing inspiring stories and experiences. It was a beautiful day celebrating the strength, spirit, and importance of our village's women and girls.

Heartfelt congratulations to our dear team member Vinod, from the proud Barela tribe, on the auspicious occasion of his wedding!

Pride Board

The results are out — and our Abhedya kids have made us proud! We're overjoyed to share their success with all of you. Without your support, this achievement wouldn't have been possible.

A heartfelt thank you to all our generous patrons and donors — your kindness and belief in these young minds are paving the way for their bright, promising futures. Together, we are making a real difference! Let's keep the momentum going and continue uplifting these incredible kids. Roshni (80%), Ayush (61.2), Piyush (58%), Radha (60.4%), Ritika (53%), Ashok (89%), Tabbasum (90.6%)
