

Characteristics of a Volunteer

INTRODUCTION

Blayney Community Baptist Church (BCBC) is committed to providing places, services and programmes that promote physical, emotional and spiritual health and safety. We want to model the love of Christ to everyone we come into contact with, particularly children, young people and vulnerable adults.

This document has, as its focus, all the BCBC ministries but particularly those involving children and people under the age of 18 years.

As a Leader in these ministries, you will be asked to read and acknowledge this document as well as several others that form the basis of our safe church program. These documents are all available on our website. They can also be provided in hard copy. This will help to ensure that BCBC meets its legal and reporting requirements, and embeds a culture that prioritises the safety of all the children and young people in our care.

BCBC is grateful for your willingness to serve Christ in one of these ministry roles and will provide opportunities throughout the year to liaise with relevant ministry teams.

People will be considered for appointment to ministry leadership or volunteer positions within BCBC after they have been in regular attendance at our church for a minimum of six months.

Whilst the particular focus of this manual is on ministries involving children and young people, the principles of ministry leadership remain the same across all ministries in our church. Hence, this role description applies to ALL ministry roles in BCBC.
