Maritime Silk engages with with the
ellusive idea of luxurious subnautical
travel - and the fashion it may entice.

Dive into the excess of what it feels like
to have your lear-sub fueled and ready
to take you to multiple deep sea formal
dinners.

Crafted from finest merino wool, cash-
mere and calf-hides, become enveloped
in the evasive nature, texture and mo-
vement of the deep sea.

- MAN O' WAR -

- YETI CRAB -

- Cashmere Jellyfish -

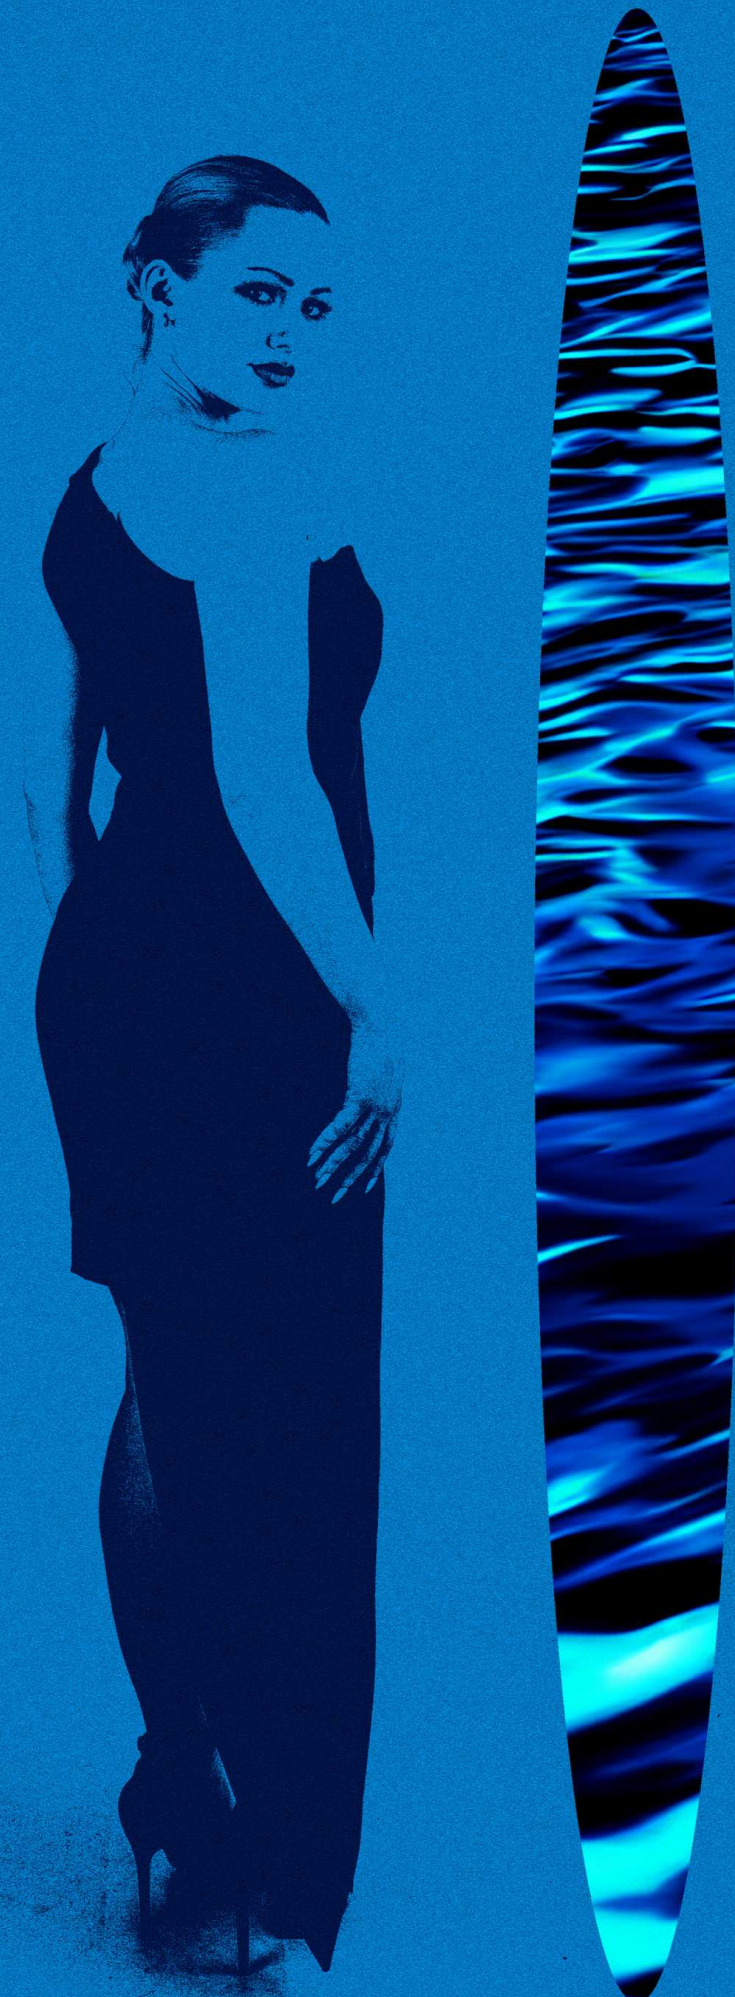

- Shark's Eye -

- Surface Tension -
