Poor Scope Management

SOLUTION

Develop a detailed project scope and use a formal change management process to handle any adjustments.

This helps keep the project focused and prevents scope creep.

Failing to Involve the Team in Planning

SOLUTION

Involve the team in the planning process to gain buy-in and insights from those doing the work.

Team involvement leads to more accurate estimates and better execution.

Ignoring Market Trends

SOLUTION

Stay updated on market trends that may impact the project.

Aligning the project with current trends ensures it remains competitive and valuable.
