Inadequate Resource Allocation

SOLUTION

Ensure the right people and tools are available to meet project demands.

Regularly assess resource needs to avoid bottlenecks or overworking the team.

Lack of a Clear Decision-making Process

SOLUTION

Establish a clear decision-making process for resolving issues or disputes.

This reduces delays and keeps the project moving forward smoothly.

Not Considering Sustainability

SOLUTION

Ensure that sustainability is a core consideration in project planning, especially for long-term projects.

This ensures compliance with environmental standards and enhances the project's positive impact.
