## Pizza Casa Pizza

The Bettelli Family pizza recipe has now been handed down to its fourth generation, but the taste could take you back 80 Years! First introduced and sold in the Wyoming Valley in 1941 at Bettelli's Cafe in Miners Mills, our thin-crust, square pizza has stood the test of time and is still a customer favorite and contender for best pizza in the area. The crispy crust and the savory whole tomato sauce made the Pizza Casa and the Bettelli Family household names during our 22 years on Wilkes-Barre's Public Square. Today we are proud to continue the legacy in the building built by John and Pauline Bettelli on April 1, 1975. It is an honor to serve the same quality, style, and recipe of delicious Pizza Casa Pizza. We offer you our family's love, history and tradition. Thank you for the generations of support.
