Instructions:

Step 1 – Print out the template.

Step 2 – Place a clear reading overlay over the template. You can also use bakeing parchment.

Step 3 – Use your 3D pen to trace over the lines of the frames and fill them in.

Step 4 – Do the same for the arms of the glasses.

Step 5 – Use your 3D pen to connect the frames and arms together.

Step 6 – Enjoy!

Tips:

Experiment with differnt colors and patterns when tracing over and filling in the shapes.

Use more filament to make shapes stronger.
