Instructions:

Step 1 – Print out the template.

Step 2 – Place a clear reading overlay over the template. You can also use bakeing parchment.

Step 3 – Use your 3D pen to trace over lines of the crown and fill in the body of the crown.

Step 4 – Make 3 or 4 sections of the crown, enough to fit your head when joied togeather.

Step 5 – Join the crown sections togeather.

Step 6 – Trace over some of the jewels and fill them in. Use them to decorate your crown.

Step 7 – Enjoy!

Tips:

Trace over a ruler to make a band to connect the crown pieces if the size doesn't quite fit.

Experiment with differnt colors and patterns when tracing over the shapes.
