Instructions:

Step 1 – Print out the template.

Step 2 – Place a clear reading overlay over the template. You can also use bakeing parchment.

Step 3 – Use your 3D pen to trace over the lines of the hot air balloon. Make 4 of these.

Step 4 – Fit the 4 balloon shapes togeather useing the cross in the middle of the page to help line them up.

Step 5 – Use your 3D pen to connect all 4 balloon segments togeather and fill in the gaps.

Step 6 – Repeat steps 4&5 for the basket.

Step 7 – With the balloon supported upside down, use your 3D pen to connect the basket and balloon.

Step 5 – Enjoy!

Tips:

Experiment with differnt colors and patterns when tracing over and filling in the shapes.
