1.1. Principal's Message

"Education is the most powerful weapon which you can use to change the world."

Nelson Mandela

Dear Parents and Students,

It is with great pride and joy that I welcome you to Padma Ratna English School where we ignite curiosity, nurture potential and cultivate leaders of tomorrow.

At the heart of our mission lies a simple yet profound belief: every child is unique. Our holistic approach to education blends academic rigour with creative exploration, ensuring students not only excel in examinations but also develop the critical thinking, resilience, and empathy needed to thrive in this ever-changing world.

Why Padma Ratna English School?

A Legacy of Excellence: For 50 years, our school has been a beacon of quality education, empowering generations of students to achieve their dreams.

Character First: Beyond grades, we emphasize values like integrity, respect, and global citizenship—cornerstones of lifelong success.

Our dedicated faculty and vibrant community create an environment where students feel safe, challenged, and inspired. Whether through robotics competitions, Shakespearean dramas, or community service projects, we encourage learners to explore passions, embrace challenges, and grow into confident individuals.

To parents, I extend my gratitude for entrusting us with your child's education. Together, we'll ensure their journey at Padma Ratna English School and transform them. To students, I say: Dream boldly, work passionately, and remember—your potential is limitless.

I invite you to visit our campus, meet our team, and discover what makes P.R. English School extraordinary. Let's embark on this journey together!

Warm regards,

Thokchom Jiten

Principal, Padma Ratna English School, Kakching

About Us

2.1. A Brief History

Padma Ratna English School, Kakching was established on the 15th January 1975 by the Late Founder, Shri Salam Kshetra Singh of Kakching Wari Salam Leikai. The school was founded in memory of his beloved sons, Shri Salam Padma Singh and Shri Salam Ratna Singh who passed away on 23rd April 1966 and 13th April 1968, respectively with public support to serve as an English medium educational institution at primary and secondary levels. The school is a co-educational private school governed by a Managing Committee and is registered under Societies Registration Act XXI of 1860 with registration no. 3509 of 1981. The main objective of the school is to impart quality education to the students vis-à-vis the changing educational scenario of the Globe. The school has classes from K.G. I to

Std. XII with a total intake capacity of 2500 (Two thousand five hundred) students.

2.2. Accreditations & Affiliations

Our school is affiliated to the Board of Secondary Education, Manipur for class X (vide order No. CS/7 22/11/1984 dated 22-11-1984) and to the Council of Higher Secondary Education Manipur for Class XII (vide order no. 1/96/96-HSC (vol-II) dated 12/06/2017).

2.3. Location

The school is located at Kakching Wairi Panjao Pallum on the southern part of the valley of Manipur in Kakching District at 93.5° E longitude, 24.2° N latitude and at a height of about 785 metres above the sea level. Its distance is about 44 kms from Imphal, the capital of Manipur along the international highway (Imphal-Moreh road) including a distance of 4 kms from Kakching Lamkhai towards west. It is only 1 km away from Kakching Bazar, the main market center of Kakching District. The school has a peaceful campus area of 8.15 acres with scenic beauties of sloping Mantak hills. Kakching has a temperate climate with temperatures varying between 1° C to 33° C and an annual rainfall of about 1700 mm.

Our Vision : To provide decent education to all students and to foster lifelong learning.

Our Mission: To empower students to shoulder ownership and responsibility for their present and future learning by developing their academic, interpersonal, intrapersonal and technological skills.

Academic Excellence

3.1. Curriculum

We believe that a dynamic, well-rounded curriculum is the foundation of a transformative education. Our academic framework is designed to foster intellectual curiosity, critical thinking, and real-world skills, preparing students for thriving in an ever-evolving global landscape.

Our Curriculum Philosophy

We follow a student-centric approach, blending academic rigour with creative exploration to ensure holistic development. Our curriculum is:

- ✓ Adaptive Tailored to diverse learning styles and paces.
- Future-Ready Integrates technology, innovation, and 21st-century competencies.
- ✓ Values-Driven Embeds ethics, leadership, and social responsibility.

3.2. Innovative Teaching Methodology: Inspiring Lifelong Learners

At P.R. English School, we believe that how students learn is just as important as what they learn. Our teaching methodology is designed to arouse curiosity, foster critical thinking, and nurture individuality through a blend of research-backed strategies and creative pedagogy.

Our Approach

We move beyond rote memorization to create an engaging, student-centric learning environment where every child thrives. Our methodology is built on three pillars:

Active Learning – Students do, discuss, and discover through hands-on projects, experiments, and collaborative tasks.

Differentiated Instruction – Lessons are tailored to diverse learning styles (visual, auditory, kinesthetic).

Real-World Connections – Concepts are linked to global issues, careers, and everyday life.

3.3. Subject Highlights

For the time being, the subjects offered for class XI and XII are:

- (i) English
- (ii) MIL (Manipuri/ Alt English)
- (iii) Physics
- (iv) Chemistry
- (v) Biology
- (vi) Mathematics
- (vii) Computer Science.
- (viii) Home Science

Arts, Commerce and Vocational courses will be offered in due course.

Beyond Academics

4.1. Co-Curricular Activities

The annual literary cum cultural meet along with prize distribution to meritorious students of the school is held every year to expose their talents and to develop strong personality and competitive skills. National Service Scheme (NSS) is also opened at the school.

4.2. Sports & Fitness

The school encourages the students to exercise their activities in the field of games and sports. Annual sports meet is held every year to select talented young sportspersons for participation in various state/ national level competitions.

4.3. Awards and Scholarships

School Awards:

- Every year the first three rank holders at the annual examination of the school and those students who are in 100% attendance for each class are honoured with cash awards and acknowledgement.
- Top scorers in State Board exams are honoured with case awards and acknowledgement.

Infrastructure & Facilities

5.1. Smart Classrooms: Revolutionizing Learning Through Technology.

Our smart classrooms redefine modern education by blending cutting-edge technology with innovative teaching methods. These interactive, digitally enhanced spaces create an immersive, engaging, and personalized learning experience for every student.

Interactive Flat Panels (IFPs) & Digital Whiteboards

High-resolution touchscreens for real-time collaboration and annotations.

- Seamless integration with multimedia content (videos, 3D models, simulations)
- Computer Lab: Empowering Digital Innovators of Tomorrow

Our computer lab is a dynamic space where students develop essential 21st-century skills through hands-on technology education. Designed to foster creativity, problem-solving, and digital literacy, the lab provides a cutting-edge environment for students to explore the world of computing and beyond.

Advanced Science Labs:

- Fully equipped physics, chemistry and biology labs for hands-on experiments.
- Dedicated zones for Physics, Chemistry and Biology with high-quality apparatus.
- > Digital microscopes, spectrophotometers and advanced measuring tools for precision.
- > Interactive smart boards for real-time data analysis and collaborative learning.

5.2. School Library: A Gateway to Knowledge and Imagination

Our vibrant, well-stocked library is more than just a collection of books—it is a dynamic learning hub that awakens curiosity, creativity, and a lifelong love for reading. Designed to support academic excellence and personal growth, our library provides students with a quiet, inspiring space to explore, research, and discover new worlds.

5.3. Sports Complex:

our world-class sports complex is designed to nurture athletic talent, promote physical fitness, and instill values of teamwork and discipline. Spanning 31144.58 square meters, this state-of-the-art facility provides students with top-tier infrastructure to excel in both competitive and recreational sports.

5.4. Safety & Wellbeing: Our Commitment to a Secure, Nurturing Environment

We prioritize the physical safety, emotional health, and holistic wellbeing of every student. Our comprehensive Safety & Wellbeing Framework ensures that learning happens in a protected, positive, and inclusive space where children can thrive on confidence.

CCTV Surveillance: Ensuring 24/7 Safety on Campus

Our advanced CCTV surveillance system forms the backbone of our commitment to students' safety and campus security.

Now Our CCTV System Enhances Safety

- Prevents Unauthorized Access
- Monitors all campus entry points to block intruders
- Tracks visitor movements with timestamped logs
- Supports Emergency Response
- Provides live feeds during fire drills or lockdowns
- Helps investigate incidents (e.g., lost items, conflicts)
- Promotes Positive Behaviour
- Encourages accountability among students and staff
- Reduces bullying and vandalism through visible monitoring
- Parental Transparency
- Designated screens in reception for verified guardian viewing
- Incident footage review (upon formal request)
