What's iSungo APP and how to get it

01 ▶ **What' s iSungo APP and how to get it**

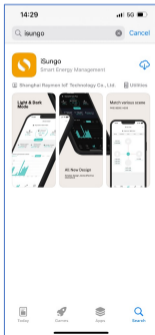

iSungo APP is a free APP provided by SUNGO Power Technology. In this APP, you can create your own site with MLPE products (SUNGO iOPT 800W, SUNGO RSDi-2 and SUNGO MI-800S) , BESS products (AC 200, S10 and S5), and future more intelligent PV & BESS products.

This step is usually for SUNGO GT/GTC.

01 ▶ What's iSungo APP and how to get it

You can login from our official website: www.sungoess.com

Or download the APP from apple store and Google Play, or scan the QR codes below:
