About Shri Ram College of Commerce

Shri Ram College of Commerce (SRCC) is India's premier higher education institution in the fields of Commerce, Economics, and Management. A constituent college of the prestigious University of Delhi established in 1926 by the venerable Sir Shri Ram, eminent industrialist and philanthropist, the College is the preferred destination for students pursuing commerce, economics, or management.

SRCC is consistently ranked as the Number One College of Commerce in India by renowned surveys such as India Today's Best Colleges Survey, Week Hansa, Outlook, Care, and The Open Magazine, amongst others. SRCC was accredited with an 'A+' grade in the first cycle of assessment and accreditation in 2016, and 'A++' in the second cycle in 2023 by the National Assessment and Accreditation Council (NAAC).

With a vision of being **"A College of Global Choice," driven by a mission of "Achieving and Sustaining excellence in teaching and research, and enriching local, national and international communities through the research, the skills of alumni, and the publishing of academic and educational materials,"** Shri Ram College of Commerce aims at the integration of the highest standards of quality in every aspect of its institutional functioning—from imparting education to the development of the nation.

Over ninety years of an ever-evolving existence have enabled the College to specialize and excel extensively in the knowledge, application, value, principle, ethical, and society-oriented delivery of the disciplines of commerce, economics, and management. As an enlightened institution of academic excellence, the College is devoted to enlarging, enhancing, and enriching the horizons of academic, professional, personal, and social growth of the global academic community, while simultaneously engaging in broadening the scope of its institutional, social, and national outreach.

In recent years, the College has expansively donned the role of academic institutional leadership and is enriching communities with its academic and research expertise. The College has several tie-ups and collaborations with eminent national and international institutions of higher education from countries such as the USA, UK, Holland, Japan, Bhutan, and Sri Lanka, amongst others.

Malaviya Mission Teacher Training Centre, Shri Ram College of Commerce

The **Malaviya Mission Teacher Training Centre, Shri Ram College of Commerce (MMTTC, SRCC)**, was established in 2024 under the **Malaviya Mission Teacher Training Programme (MMTTP)** of the **Ministry of Education, Government of India**, for the knowledge and skills upgradation, development, and progression of faculty members, administration, and research scholars of colleges and universities.

The MMTTC, SRCC will implement the ideals of the Malaviya Mission Teacher Training Programme (MMTTP), which aims to implement NEP recommendations, focusing on quality teaching, equity, online education, technology use, Indian language promotion, vocational education, and multidisciplinary education.

The MMTTC, SRCC will address the needs of teachers in colleges/universities as determined by the UGC through:

- NEP Orientation and Sensitization Programmes (NEP O&SP)
- Faculty Induction Programmes (FIPs)
- Faculty Development Programmes (FDPs)
- Refresher Courses
- Short-Term Programmes (STPs)

About Two-week (12 days) Refresher Course

Shri Ram College of Commerce (SRCC), a premier institution in commerce, economics, and management education, is dedicated to empowering faculty members with advanced knowledge, insights, and best practices to stay at the forefront of their fields. This Refresher Course provides a dynamic platform for participants to engage with leading experts, exchange ideas, and develop innovative teaching and research strategies that align with the latest global advancements in Accounting and Taxation.

In today's rapidly evolving economic and business landscape, universities must continuously adapt, and faculty members in commerce and accounting play a pivotal role in preparing students for these changes. This requires integrating cutting-edge research, modern pedagogical techniques, and specialized advancements such as IFRS and Ind AS into teaching methodologies.

The **Two-Week (12-day) Refresher Course**, organized by **MMTTC, SRCC**, is designed to enhance the professional development of faculty teaching financial accounting, corporate accounting, and taxation. Through rigorous training, the program aims to refine teaching competencies, foster research excellence, and bridge the gap between theoretical concepts and practical applications. By the end of the course, participants will gain deeper insights, advanced academic tools, and a renewed vision for delivering impactful education in Accounting and Taxation.

Concept Note

The 21st century has witnessed a transformative shift in **Accounting and Taxation**. In this dynamic landscape, both corporate and academic institutions face the pressing challenge of embracing change and staying ahead of emerging trends.

Higher education plays a **pivotal role** in shaping a workforce that can navigate the complexities of a globalized economy. For faculty members teaching **accounting, taxation, and allied disciplines**, continuous professional development is not just desirable—it is essential. The rapid evolution of **financial regulations, taxation laws, technological advancements, and accounting frameworks** requires academicians to refine their pedagogical approaches and research methodologies to align with industry demands.

Objectives of the Programme

The Two-Week (12-day) Refresher Course on Accounting and Taxation, organized by **MMTTC, SRCC**, is designed to address the evolving needs of faculty members teaching Accounting and Taxation. This program will provide rigorous training in **contemporary accounting practices, taxation laws, and innovative teaching techniques** to enhance both academic and practical expertise.

Key Objectives:

- Explore the latest trends in accounting standards, corporate taxation, GST, international taxation, and financial reporting to ensure academic instruction is aligned with current industry practices.
- Integrate case-based and experiential learning approaches to enhance classroom engagement and improve student learning outcomes.
- Strengthen ethical leadership, corporate governance, and financial transparency in both academic and corporate environments.
- Promote the effective use of Information and Communication Technology (ICT) in teaching and research, including the application of Artificial Intelligence (AI) in academics and the development of effective communication skills.
- Understand the impact of India's National Education Policy (NEP) 2020 on transforming the teaching-learning ecosystem in commerce and management disciplines.
