# About Shri Ram College of Commerce

Shri Ram College of Commerce, or SRCC, is India's premier higher education institution in the fields of Commerce, Economics, and Management. A constituent college of the prestigious University of Delhi, established in 1926 by the venerable Sir Shri Ram, eminent industrialist and philanthropist, the College is the preferred destination of higher studies for students pursuing Commerce, Economics, or Management. SRCC is consistently ranked as the Number One College of Commerce in India by renowned surveys such as India Today's Best Colleges Survey, Week Hansa, Outlook I Care, and the Open Magazine, amongst others. SRCC was accredited with an 'A+' grade in the first cycle of assessment and accreditation in 2016, and 'A++' in the second cycle in 2023 by the National Assessment and Accreditation Council (NAAC).

With a vision of being "A College of Global Choice" driven by a mission of "Achieving and Sustaining excellence in teaching and research, and enriching local, national, and international communities through research, the skills of alumni, and the publishing of academic and educational materials," Shri Ram College of Commerce aims at integrating the highest standards of quality in every aspect of its institutional functioning, from imparting education to the development of the nation.

Over ninety years of an ever-evolving existence have enabled the College to specialise and excel extensively in the knowledge, application, values, principles, ethics, and society-oriented delivery of the disciplines of commerce, economics, and management. As an enlightened institution of academic excellence, the College is devoted to enlarging, enhancing, and enriching the horizons of academic, professional, personal, and social growth of the global academic community, and simultaneously engaging in broadening the scope of its institutional, social, and national outreach. In recent years, the College has expansively donned the role of academic institutional leadership and is enriching communities with its academic and research expertise.

The College has several tie-ups and collaborations with eminent national and international institutions of higher education from countries such as the USA, UK, Holland, Japan, Bhutan, and Sri Lanka, amongst others.

# About One-week (6 days) Short-Term Programme

The One-week Short-Term Programme on **Corporate Law and Business Law**, organized by MMTTC, SRCC, aims to empower faculty members of **Commerce and Law** with advanced knowledge and insights into the dynamic and ever-evolving regulatory landscape of the corporate world. This course offers an intensive learning experience, focusing on the latest trends, regulations, and best practices in Corporate and Business Law. Through expert sessions, discussions, and case studies, participants will deepen their understanding of complex legal issues that affect businesses globally and locally, ensuring they remain at the forefront of teaching excellence in this field.

## Concept Note

In today's fast-paced business environment, the legal framework surrounding corporate and business activities is continuously evolving. As academic leaders, faculty members must stay well-versed with the latest updates in Corporate Law and Business Law to effectively impart knowledge to the next generation of legal professionals and business leaders. This One-week Short-Term Programme is designed to bridge the gap between evolving laws and academic instruction. By focusing on practical applications, emerging trends, and global challenges in Corporate and Business Law, this course aims to equip faculty members with the necessary tools to address contemporary issues faced by businesses, enhancing their teaching capabilities and ensuring they remain informed and relevant in their academic roles.

## Objectives of the Programme

***The primary objective of this One-week online Short-Term Programme is to:***

- Refresh and update knowledge of current Corporate Law and Business Law developments.
- Understand the latest regulatory developments and their implications for business practices.
- Develop practical skills in navigating complex legal issues faced by modern businesses.

- Network with peers and industry experts, fostering professional connections and collaborative learning.
- Enhance the teaching and learning process by providing faculty members with current, real-world examples and case studies.

## **Modules Covered Under the One-week Online Short-Term Programme**

***The course will cover the following key modules:***

- Corporate Governance and Compliance
- Company Law and Regulations
- Contract Law and Negotiation
- Intellectual Property Law and Protection
- Mergers and Acquisitions
- Dispute Resolution and Arbitration
