

Good Morning/Evening Everyone!

As you leave today, please stop by the **Holy Cross display** outside, pick up a leaflet, and — most importantly — **sign up** to take part in this very special event:

“WALK THE HOLY CROSS TO WALSINGHAM!”

Dates: Saturday, **13th September** (starting at **12 noon**)

Ending: Sunday, **14th September** at the Holy Abbey, on the **Feast of the Exaltation of the Holy Cross & Our Lady of Sorrows**

This is more than just a walk — it’s a **prophetic and grace-filled moment** for our Church and our nation. Our Blessed Mother is inviting us to be **Her envoys for peace, conversion, and hope**. By saying **“YES”** to this pilgrimage, we open ourselves to countless blessings — for ourselves, our families, our priests, our leaders, and even our country.

Pope Leo XIII foretold:

“When England returns to Walsingham, Mary will return to England.”

Now is that time! If not now... **when?**

This walk will take place **simultaneously** across **England, Scotland, Wales, and Ireland** — a united act of faith for our land, with **Our Lady leading the way**.

So, dear friends:

- **Pick up a leaflet**
- **Sign up** — come individually, with friends, or as a family
- Join us in this powerful act of prayer, love, and faith

Let us walk together, honouring **Jesus and Mary**, and be part of something truly **life-changing**.
