EXCEPTIONAL WEDDING PHOTOGRAPHY FOR
LASTING MEMORIES

ABOUT US

Hi, I'm Silvia Mazzi, a passionate event photographer. With over 3 years of experience, I specialize in documenting authentic moments and raw emotions that define your big day.

Hi, I'm Andrea Genovesi, an enthusiastic event and studio photographer. I tell real stories, without forced poses and without interrupting the moments that truly matter. I work quietly and discreetly, leaving space for emotions, glances, and the moments that truly matter.

Two photographers, one story: yours!

“*A wedding is the beginning of a beautiful adventure, where two hearts become one and create a lifetime of memories.*”

TRUE LOVE STORY FOREVER

Every wedding is a story of love, joy, and unforgettable moments. Our goal is to capture these emotions in a timeless way, so that you can relive them forever.

We always photograph as a duo, so we can offer multiple perspectives at all times.

We give emotions time to unfold rather than constructing them. We believe in images that stand the test of time.
