About Us

We are committed to perfection and delivering flawless results from the start. Our legacy is built on the trust and satisfaction of every client and society we serve.

We proudly introduce our firm, highlighting our expertise, team, and resources. Specializing in electro - mechanical construction and maintenance, we have delivered industrial project solutions for 07 years. Our skilled leadership and dedicated professionals ensure top- tier service, blending innovation with reliability. By prioritizing client needs, we build lasting partnerships and uphold a standard of excellence. Every project reflects our commitment to precision, efficiency, and added value — strengthening trust in our brand across industries.

We have been continuously increasing our resources and improving our existing ones over the years, adapting to new methods and methodologies with lessons learned from the previous experience.

Our Vision

Our vision is to kindle light into the world of invention and delivery of efficient workforce

Equipment Rentals**

Fabrication

**Industrial, Construction
and Building
Materials Supply**

MANPOWER SERVICES

We provide skilled and experienced manpower for short- and long-term projects across Oil & Gas, Petrochemicals, Construction, and government sectors. Backed by a strong recruitment team, we deliver high - quality personnel and can quickly meet any extra staffing needs, including shutdowns and industrial jobs.

CERTIFIED OPERATORS

(Aramco, OPAL, TUV, and QP Standards)

1. Mobile Crane Operator
2. Forklift Operator
3. Boom Lift Operator (IPAF Certified)
4. Excavator Operator
5. Bulldozer Operator
6. Telehandler Operator

CERTIFIED RIGGING & LIFTING PERSONNEL

(Aramco, TUV, and OSHA)

1. Rigger Level I (Basic)
2. Rigger Level II (Intermediate)
3. Rigger Level III (Advanced)
4. Lifting Supervisor
5. Banksman/Signalman Certified

QA/QC's & Engineers

- QA/QC Supervisors
- QA/QC Inspectors
- Project Engineer
- Piping Engineer
- Planning Engineer
- Instrumentation Engineer
- Network Engineer
- Cost Engineer
- Safety Engineer
- Civil, Mechanical, Electrical Engineers
- Material Engineer
- Turnover Engineer
- Chemical Engineer
- Commissioning Engineer

Skilled Workers

- Computer/Data Entry Operators
- Fabricators – Pipe, Structural, Vessel
- Fitters – Mechanical, Piping, Structural, Instrument
- Electricians – Industrial, Building
- Fire Watch/Entry Attendant
- Steel Erectors
- Scaffolders
- Cable Terminators
- Laminators
- Painters
- Carpenters
- Mason
- Steel Fixers
- Drivers
- Equipment Operators
- Skilled/Non-Skilled Helpers & Labors

Executive & General Staffs

- Work Permit Receivers
- Accountants
- Secretary & Administration Staffs
- Document Controllers
- Supervisors – Electrical, Instrument, Scaffolding, Mechanical, Structural, Piping
- Inspectors – Electrical, Instrument, Scaffolding, Mechanical, Structural, Piping
- Foreman – Electrical, Instrument, Scaffolding, Mechanical, Structural, Piping
- Technicians – Electrical, Instrument, Mechanical, Piping
- Safety Officers

Lifting and Heavy Equipment Rentals

Elite Avenue provides top-tier construction equipment rentals for all project needs. Our modern fleet includes excavators, loaders, cranes, and specialized tools, all well-maintained and ready to deploy. We offer flexible short - term and long - term rental options with operator services available. Count on our reliable equipment and on-site support to keep your projects running efficiently.

Types of Equipment

- Earth moving equipment
- Heavy lifting equipment
- Heavy transportation
- Light vehicles
- Industrial equipment

FABRICATION WORKS

We provide precision metal fabrication for custom structures and components, from architectural elements to industrial parts. Our skilled craftsmen deliver expert cutting, bending, welding, and assembly using advanced techniques and quality materials. Every project meets exact specifications with flawless finish and durability.

ALUMINUM FABRICATION

We offer custom aluminum fabrication tailored to your specific requirements. Whether for lightweight structures or corrosion-resistant applications, our aluminum solutions are ideal for:
Custom brackets, handrails, and ladders

STEEL FABRICATION

Known for strength and durability, our steel fabrication services include:
Custom steel stairs, platforms, and frameworks

CUSTOM FABRICATION PROJECTS

We provide end-to-end fabrication services based on your drawings, sketches, or requirements. Our capabilities include:

- Movable and Fixed Steps / Stairs (with or without wheels)
- Step Ladders with or without handrails
- Removable and Fixed Handrails for safety and accessibility
- Shim Plates for leveling and machinery installation
- Steel and Aluminum Platforms
- Movable Stand Flat Forms for industrial use
- Sheet Metal Works for ducts, enclosures, and cladding
- Brackets, Frames, and Structural Supports

Industrial, Construction and Building Materials Supply

We supply high-performance industrial tools and materials to various industries. Our inventory includes:

Safety Tools & Materials

Safety helmets, gloves, goggles, safety shoes, vests, harnesses, signage, and more.

Welding Tools & Accessories

Welding machines, electrodes, torches, cables, masks, grinding wheels, etc.

Pipe & Fitting Materials

Steel pipes, GI/SS pipes, PVC/HDPE, flanges, elbows, tees, reducers, gaskets

Mechanical Equipment & Parts

Bearings, valves, seals, pumps, fasteners, motors, and other MRO parts.

Vehicle Spare Parts

Engine parts, filters, belts, brakes, suspension components, and more

Our Valued Clients
