## My Services

### TRAINING

- Puppy Kinder Garden
- Last Resort Counseling
- Therapy Animals
- Service Animals
- Working Animals

### MENTORING

If you are struggling with a difficult animal relationship or are simply curious about living and around animals, I will mentor you through this time of healing and discovery. You can ask me anything. I may not know the answer, but I will always try my hardest to help you with your goals.

### GUIDED RESEARCH

Are you curious about the human-animal connection? Do you hunger for more knowledge? Rest assured, you are not alone! I love to discover new things and learn more about our furry, feathered, and scaly friends. We can work together to make new discoveries.
