

Junior Administrator

Join the Midshore Group as a Junior Administrator

We're looking for a proactive and enthusiastic individual to join our growing team as a Junior Administrator. This full-time role offers a unique opportunity to gain hands-on experience across a variety of business functions, with full training and ongoing support provided.

Role Overview

As a Junior Administrator, your day-to-day tasks will be varied, giving you broad exposure to different areas of the businesses. This role is ideal for someone who wants to build experience in a supportive, fast-paced environment.

You'll be given full training and the opportunity to grow your skills as part of a dynamic and collaborative team.

Key Responsibilities

- Provide administrative support to the Managing Director
- Assist with general office administration and tasks across the team
- Help digitise records and improve internal processes
- Support the compliance team with monitoring and recurring duties
- Ensure the office environment remains clean and professional
- Undertake any additional tasks required to support the business

About You

We're looking for someone who is:

- Keen to learn about financial services and compliance
- Organised, reliable, and able to communicate clearly
- Comfortable working as part of a small, supportive team

Preferred (but not essential):

- Familiarity with Microsoft 365 (Outlook, Word, Excel, Publisher etc.)
- No prior office experience is necessary — just the right attitude and a willingness to grow.
