**EACH WORD CAN BE USED ONLY ONCE.**

A) a	D) how	G) it	K) this	N) what
B) an	E) however	H) or	L) those	P) will
C) can	F) is	J) these	M) was	Q) within

Humpback whales are known to be superb singers. The males are capable of complex vocal performances that are often repeated for many hours. The longest known recording of \_\_\_\_\_ humpback whale song is a staggering 22 hours. \_\_\_\_\_ album of their songs released in the 1970s gained worldwide fame and \_\_\_\_\_ still the best-selling recording of nature sound even made.

Humpbacks \_\_\_\_\_ a particular sea area deliver the same songs in the same way every year. \_\_\_\_\_, songs vary between whale populations. For example, North Atlantic humpbacks sing different ones from \_\_\_\_\_ in the North Pacific.

A team of researchers from the University of Queensland in Australia studied \_\_\_\_\_ humpbacks are able to deliver the same songs. The researchers discovered that the humpbacks learn the exact sounds from one another without simplifying \_\_\_\_\_ leaving anything out. This suggests that humpback whales \_\_\_\_\_ learn an entire song pattern from one another very quickly, even if it is complex or difficult. \_\_\_\_\_ ability of theirs explains why the song of a whale population changes over time. They likely learned the tune from another whale population when sharing the same feeding ground.

## Section B: Cloze Passage

Fill in each blank with a suitable word.

(15 marks)

A few months into the COVID-19 pandemic in 2020, food charity Willing Hearts started receiving more requests for its food distribution service. In response, its volunteers \_\_\_\_\_ the level of production in its kitchen at Chai Chee, packing about 11,000 meals, compared with the 7,000 before the pandemic.

Today, the charity is able to \_\_\_\_\_ up to approximately 15,000 meals a day. \_\_\_\_\_ the opening of its new soup kitchen in Joo Chiat. The new kitchen is three times bigger \_\_\_\_\_ the charity's previous premises in Chai Chee. It includes new equipment that will help Willing Hearts boost its meal production.

In addition, the new premises is expected to serve as a \_\_\_\_\_ for homeless beneficiaries from August this year. Willing Hearts founder Tony Tay, who \_\_\_\_\_ the charity in his home kitchen in 2003, said, "During the pandemic, we saw more requests from residents, \_\_\_\_\_ we decided to step up our efforts to help them. It is the desire \_\_\_\_\_ the volunteers to reach out to more people that has helped us move into the new space, and I am thankful for \_\_\_\_\_ support in making this happen."

The kitchen is managed by a team of about 200 volunteers and runs \_\_\_\_\_ the year. It produces a nutritious spread with about a tonne of rice cooked daily. Mr Tay is grateful that the charity, \_\_\_\_\_ receives support from sponsors for its groceries, \_\_\_\_\_ been able to continue providing cooked food to its beneficiaries \_\_\_\_\_ the rising raw material cost in recent months.

Besides providing food and shelter, Mr Tay is hopeful the charity will find new \_\_\_\_\_ of helping the community. He said, "I hope that the number of people requesting for our help will go down. That would mean compared to now, \_\_\_\_\_ people are facing hardships. We hope that day will come soon."

Score: \_\_\_\_\_

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes the need for transparency and accountability in financial reporting.

2. The second part of the document outlines the various methods and techniques used to collect and analyze data. It includes a detailed description of the experimental procedures and the statistical analysis performed.

3. The third part of the document presents the results of the study, including the data collected and the conclusions drawn from the analysis. It highlights the key findings and discusses their implications for future research.

4. The fourth part of the document provides a summary of the overall findings and discusses the limitations of the study. It also includes recommendations for further research and practical applications of the results.
