

Band Boosters Meeting Minutes **Monday, June 14, 2021 7:00 p.m.**

The meeting was held in person in the band room and called to order by Co-President Sheila Hoff with approximately 12 members present. Director Kiley Coyne also present.

Secretary's Report (Carey Deaver): The May meeting minutes were reviewed and approved.

Treasurer's Report (Brian and Jan Questad): The Treasurer's report for May 31, 2021 was reviewed and approved. Discussion held on upcoming deposits. Aaron Levisay taking over to Quicken to avoid the manual work. Area to put the binders of budget information. Locked cabinet. Need discussion on shredding. Heather and Jaron to sign on the account. Sheila and Jan to stay on the account.

Director's Report: Mrs. Coyne reported on the following items:

Mail for the treasurer. Reimbursement for the 3700 for the San Antonio trip. Was going to add to bill back but different account. 10 Checks for the black bod giving account. Something from the IRS. Bill for the storage unit and insurance.

Senior Party was awesome. Went Kayaking and out of the 12-3 were going to the movie so we did century vs drive-in- receipt turned in. 11 out of 12 came. Really fun for the seniors.

Month off for the kids then rookie camp starts. None of the kids have to be there, but they can come and help.

Tuesday the 29th is when we meet at 5pm. Parent meeting at 6pm. Table to purchase shoes and make payments. See if we have people to sit at specific tables. And get ice-cream. Need volunteers.

Drums are getting new heads and color-guard has first movement learned. We will get instruments checked out. Get health forms filled out online for infinite campus.

Marching band bill back-2 accounts-WHS band program #7-25,000 each year/#98 account for all the students. All fundraising goes to the student account. Every year we have to put the money back into the WHS account. WHS says you cannot transfer between the accounts. Band Boosters are the third party-bill #98 to pay #7. Spreadsheet is kept. The only money we get from the school is for travel. Every year we get 13,500 for busing-use it or lose it. Concessions are taken out. 24,120.53 is what the season cost for 2020. Total amount raised by the students was short 7741.29. We will need to vote on to determine if we will cover the difference. Last year we met the goal.

Impacts: Color-guard uniforms would have to be paid for on own, miss competitions, no new silks, could be covered if we didn't hire marching band staff-but they are needed.

Build small committee to cover for the future-push students to fund-raise and plan for the every 4 years to cover the trip year.
