BY DESIGN

A black and white advertisement for Tom Ford's Black Lacquer fragrance. The central focus is a dark, rectangular bottle with a wide base and a narrower neck, set against a light, textured background. To the right of the bottle, the text 'NEW Collection 2025' is written in a stylized, handwritten font. Below this, three sections describe the fragrance's notes: 'TOP NOTES' (Woody, aromatic, head), 'MIDDLE NOTES' (Fresh apple, warm spicy), and 'BASE NOTES' (Amber, leather, rum). The Tom Ford logo is positioned at the bottom center.
