Cheesy Notes:

Please note that not all guests partake in cheese curds!

1 - Servings are based on ~1/3 pound. (All servings come in a single-use container and include a napkin.)

2 - One gallon of sauce covers ~125 servings. (Every sauce serving includes a single-use container.)

3 - White Cheddar Cheese

4 - Per 5 pounds; must be ordered in multiples of 5 pounds; Serves between 15 - 30 each.

(All servings come in a single-use container and include a napkin.)

5 - Grilled Cheese Sandwiches must be ordered in multiples of 10. (Every sandwich comes in a single-use bag.)

6 - Cookies must be ordered by the dozen.

7 - Lemonade Freeze Slushies are served in a 12 oz. clear plastic cup and include an optional lid and straw.

8 - Lemonade Freeze Slushies can only be served per 6 gallons. 6 gallons serves approximately 64.

9 - Hot beverages are served in a 12 oz. paper cup and include an optional cup sleeve and lid.

10 - Real cider requires a minimum of 10 servings and must be ordered in increments of 10.

11 - We require a minimum of two regular wall outlets with each on it's own dedicated circuit.

12 - Mandatory fee.

13 - Tax Rate for Milwaukee County: 6.4%; Tax Rate for City of Milwaukee: 8.4%; Other Wisconsin locations vary.

We provide the labor, setup, equipment, and takedown/cleanup. Venue provides necessary power (min. 2x120-volt outlets).

\$300 Minimum Down Non-Refundable Deposit due within three weeks of invoice.

Remainder due on day of event prior to setup.

This version supersedes any prior version.

* Prices subject to change. These prices are for private catering gigs ONLY, and NOT public events.
