

Company Profile

HELLO“

WE WOULD LOVE TO MEET YOU!

We take this opportunity to express our deep appreciation to every member of our family for their hard work and passion.

Through their continuous efforts in meeting customer needs, they have contributed to the growth of **WEST MEON** — and the best is yet to come.

our story“

It's not a distant one.

Our journey began in 2018 with the establishment of **WEST MEON Trading Company**, headquartered in **Hangzhou, China**.

We specialize in:

- Supplying furniture and hotel equipment . From the very beginning, we have been committed to prioritizing high quality in all our products.

We continuously work to support our clients and provide them with the best services, striving to help them achieve their goals in line with the highest required standards of quality.

Our Ambition “

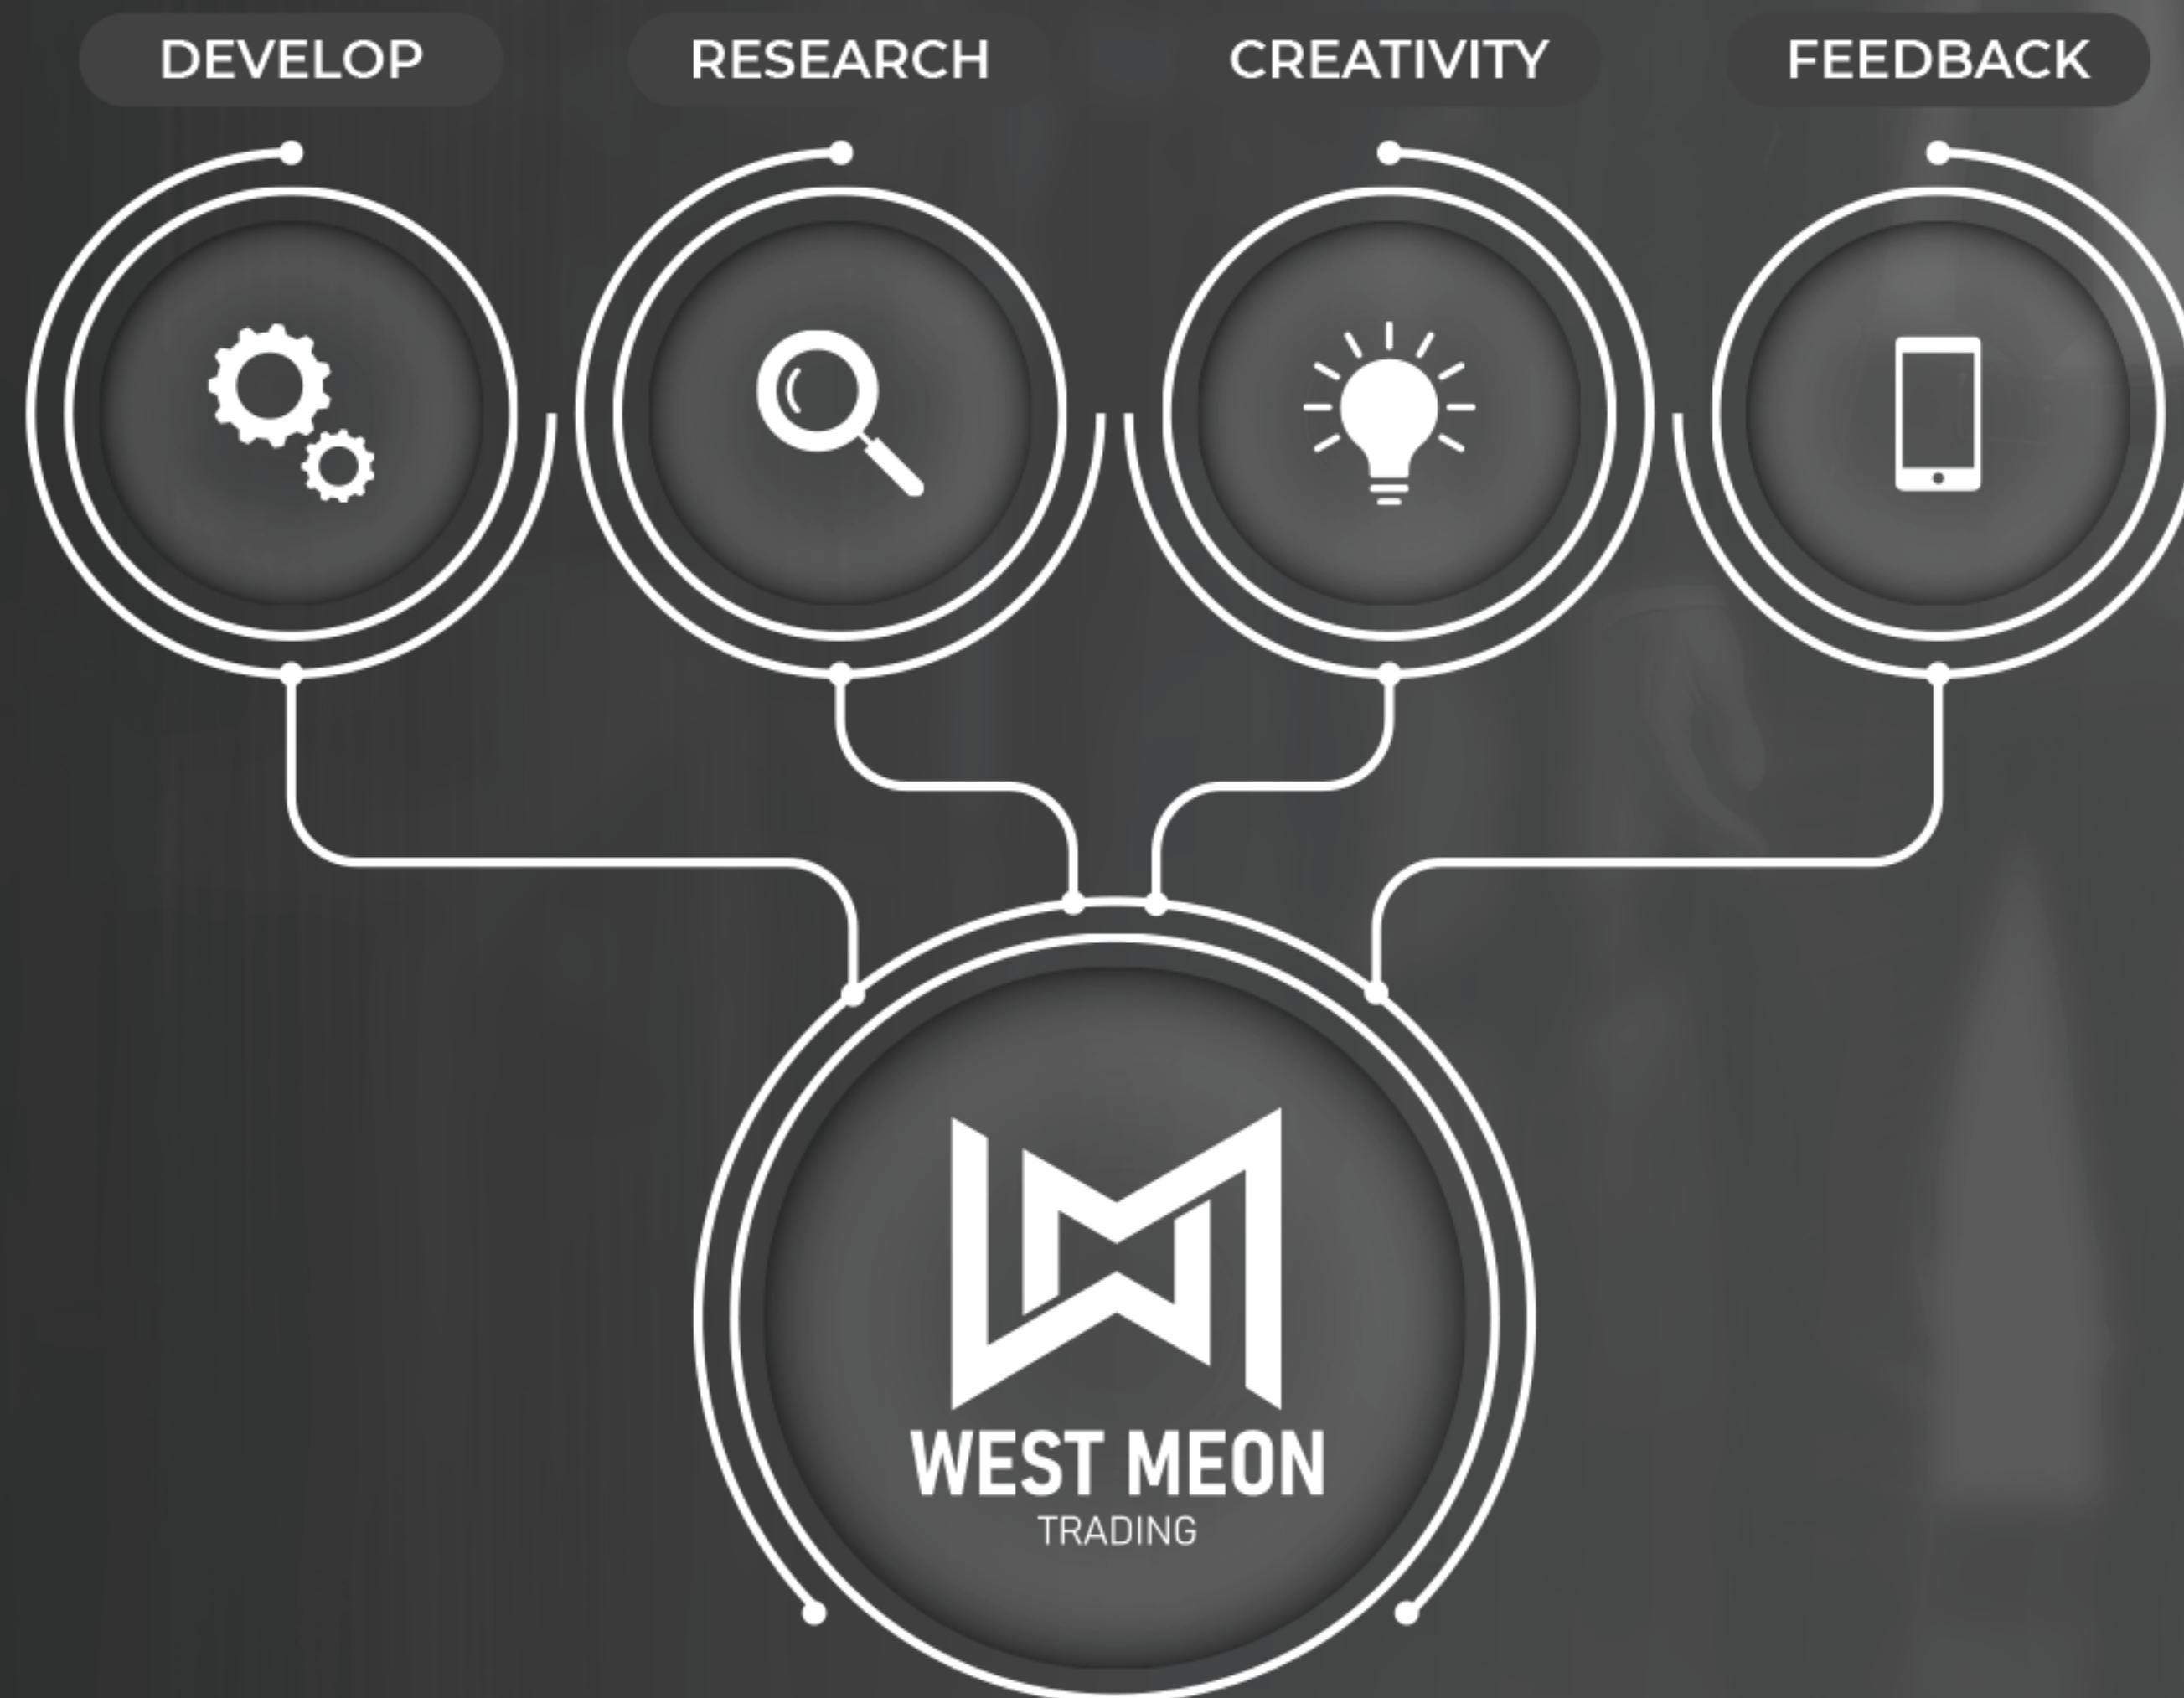

We have set high and promising goals for our company and our partners, and we will continue striving to achieve them with full commitment and determination.

We continue to strengthen the principles of innovation and fruitful collaboration to deliver the highest quality services to our clients and fulfill their aspirations with the utmost professionalism.

“We Build Expertise

At every step, we focus on continuous learning, knowledge sharing, and skill development. We strive to create an environment that blends innovation with hard work, where experiences turn into expertise, and expertise leads to achievements.

SUPPLIES

Your Operational Arm in China

Why Are We Your Preferred Partner in China?

We provide flexible and comprehensive solutions to support your business.

We cover all stages

from sourcing the right factories to delivering the final products.

On-Site Quality Control

Our field team is present inside the factories to ensure product quality according to your specific standards.

Customized Logistics Solutions

We offer sea, air, and land shipping services, along with smooth and professional customs clearance.

**“ We are your eyes in China — “
we see what you see and inspect what you buy.**

How Do We Serve You?

Sourcing & Negotiation:

- We find the best factories for you
- We handle communication and negotiations in Chinese

Follow-up & Quality Control:

- Inspecting samples before final production
- Unannounced factory visits during manufacturing
- Weekly photo reports from the production line

Shipping & Delivery:

- Selecting the best shipping route based on your priorities (cost/speed)
- Providing secure warehouses in China for temporary product storage as needed

Our Competitive Advantages

A local team in China

(10 years of experience dealing with factories)

Complete flexibility

(we handle everything from small orders to full containers)

Full transparency

we share all details with you
(communications, invoices, contracts)

Clear costs

(no hidden fees, we only profit when you succeed)

Who Are Our Clients?

- **Companies looking to start importing but are concerned about risks**
- **Entrepreneurs seeking innovative products at competitive prices**
- **Traders who have experienced losses with unreliable suppliers**

How Do We Get Started Together?

Tell us about your needs
(Product – Quantity)

We will send you:

- A list of qualified factories
- Detailed price quotations
- A supply timeline

**Choose what suits you...
and we'll handle the rest.**
