

Satvic trading co.

**"Bringing You
Nature's Sweetness &
Strength – Jaggery &
Herbal Products by
Satvic."**

About Us

Satvic Trading Company is a reliable Indian exporter of organic jaggery and herbal products, committed to purity, health, and sustainability. We deliver nature's best—from traditional jaggery to powerful herbs like Ashwagandha and Moringa—sourced directly from trusted farmers.

Why Choose Satvic Trading Company ?

- **Certified Purity** – Our products are organic, lab-tested, and certified (FSSAI, NPOP, APEDA, etc.).
- **✓ Direct from Farms** – We work closely with trusted farmers and cultivators to ensure freshness and authenticity.
- **✓ Diverse Product Range** – From organic jaggery (powder, cubes) and herbal powders (Ashwagandha, Moringa, Shatavari) to premium-grade Sesame Seeds.
- **✓ Global Export Expertise** – Compliant with international quality, packaging, and logistics standards for smooth global delivery.
- **✓ Sustainable & Ethical** – We promote eco-friendly farming and fair trade practices across our supply chain.
- **✓ Custom Solutions** – Bulk orders, private labeling, and customized packaging as per your market needs.

Contact Us

We'd love to hear from you! Whether you're a buyer, distributor, or business partner interested in our organic jaggery, herbal powders, or sesame seeds, the Satvic Trading Company team is here to help. Reach out to us for product details, pricing, samples, or export inquiries—we respond quickly and professionally.

- **FSSAI – Food Safety and Standards Authority of India**
Ensures our products meet India's highest food safety benchmarks.
- **APEDA – Agricultural & Processed Food Products Export Development Authority**
- **NPOP / Organic Certification (NOCA)** Our herbal and jaggery products are organically grown under strict NPOP guidelines—free from chemicals, pesticides, and synthetic inputs.
- **COA – Certificate of Analysis**
Each export batch is backed by a verified COA, detailing microbial safety, heavy metal content, moisture level, and purity standards.
- **Lab Test Reports** Every product is tested for quality parameters like purity, oil content, microbial safety, and nutritional profile—available on request.
- **HACCP / GMP (On Request / As Applicable)** For select buyers and bulk orders, we provide HACCP and GMP-compliant documentation to meet global food safety protocols.

Our Initiatives:

- Supporting local farmers with fair trade and training
- Promoting organic and sustainable agriculture
- Empowering women-led supply chains
- Raising global awareness about natural wellness
- Using eco-friendly, biodegradable packaging
- Giving back through rural health and education support
