

Little Stars Coaches Meeting

Circle City FC

We are the 8th Largest Club of 145 in the state... AND growing

We had another BIG Spring registration.

Only 2 clubs in the top 10 are volunteer based – CCFC and Glendale Soccer Club

**THANK
YOU**

Little Stars

Little Stars is a unique program for 18 month to 3 years old. Each "Little Star" is assigned to a team with a coach and will be given a full soccer uniform (shirt, shorts, and socks). Little Stars participate in age-appropriate drills and activities that are setup to develop basic skills, familiarize them with soccer, encourage soccer play, and burn off some energy. Parent participation will be occasionally needed to assist with activities. Each team will have a coach that explains the drills and encourages the kids as they go through each activity. This age group does not play competitive games against other teams. Little Stars serves to introduce kids to soccer in a non-competitive yet fun environment.

Field Closures

Check before you go

Field closures due to weather are listed on our website.

Do you have to cancel?

No, but you can't be on a painted field, you can still practice.

Be smart

If lightning is present, no one should practice. Cold and raining is miserable for everyone, when hot, take frequent water breaks.

Help Protect our fields

If they are closed, they are closed to everyone, we must stay off them when they are too wet, so we don't tear them up..

Coaching Profiles

Are **required** to be complete by March 10th

Safe Sport

Safe Sport

Background Check

Background Checks

We can't allow you to be involved in anyway without a clear background check.

CDC Heads up Concussion Training

Concussion Training

This is critical to ensure the safety off all of our kids. Concussions are life threatening

All three must be renewed every two years

Coaching Reminders

Rule #1

Always have fun. Kids learn more and stay engaged longer when sports are fun, you should be having fun too!

You are a mirror

Your players attitudes and energy are a direct reflection of your attitude and energy, lead by example.

Great Coaches

Great Youth sports coaches are not determined by wins and loses. Great youth sports coaches are the one's who's players are excited to return next season!.

Need Help?

Never be too proud to ask for help, we love to hear from you and help when needed, coaching isn't always easy.

Read that AGAIN, now one more time

How long do I have their attention for?

Kids will give you their attention for 2x their age
in seconds (Mind your L's).

8-12 Seconds!

16 Seconds

20-24 Seconds

30 Seconds?

PLAYER DEVELOPMENT PATHWAY

<p>0-6 Active start</p>  <p>Intro to physical activity. Touches on the ball in a fun, unstructured environment.</p> <p>Dribbling, turning, receiving and striking the ball. Focus on the individual.</p>	<p>6-9 FUNdamentals</p>  <p>Skill development in a structured, positive and fun environment.</p> <p>Technical development of passing, receiving, dribbling and finishing. Focus on 1v1 actions and promote game understanding and technical execution in small sided games.</p>	<p>9-12 Learning to train</p>  <p>Acquire & develop football specific skills in a fun and productive environment. Introduce competition. Focus on refinement of movement skills. Develop skills in and out of possession as well as transitions. Intro to basic tactical concepts and continue to develop game understanding through 7v7/9v9 games.</p>	<p>12-16 Training to develop</p>  <p>Continue to develop football-specific skills as players transition to 11v11. Competition makes players want to win and give 100%, but the main focus still on training & developing skills. Introduce position specific roles & responsibilities and meeting physiological demands of the game.</p>	<p>16-19 Training to compete</p>  <p>Develop the player to meet physiological, technical and tactical demands of the game. Competition is provided to challenge and develop. Training targets development and maintenance of technical & tactical skills. Understanding position specific roles in relation to the game. Individual prep tailored to respective strengths and weaknesses.</p>	<p>19+ Training to win</p>  <p>Maximise the the physiological, technical and tactical skills of the player so they peak in competitions. Focus in training around performance and winning games, as all athletes capacities should be fully established. Training = high volume + high intensity.</p>	<p>Any Age Active for life</p>  <p>Positive experiences in football. Focus is less on winning and more on social aspects, having fun and completing for the love of the sport, whilst still being challenged as an individual or group.</p>

EQUIPMENT Supplied by CCFC

Tall Orange Cone

Multi-Colored Small Disc Cone

3' Fixed Goals

PEX Tubing with weighted bases

Pool Noodles with ground stakes

Pop-up Goals

Cone Knock Over:

Set-up a circle using the small disc cones (about 10ft' Diameter). Using the Tall orange cones, fill the center of the circle.

Drill: Players attempt to knock over as many cones as they can. Parents and coaches can reset the cones as you go. All players can play at the same time.

GOAL: Foot-Ball Coordination

Candy Land: Set-up a path using the small cones. The path should loop back towards the beginning. Setup larger orange cones in throughout the path

Drill: Players dribble through the path as fast as they can trying to knock over as many of the orange cones without leaving the path. Parents and coaches can reset the orange cones as the players go through the path.

GOAL: Agility with ball coordination

Dribble & Shoot :

Set-up the pop up goals in a row (approx. 5 ft apart). Set-up small cones to establish drills like the ones above.

Drill:

- 1) Instruct the players to dribble between each cone then shoot on the goal.
- 2) Instruct the players to dribble forward from the back set of cones and kick the ball in before crossing the second set of cones
- 3) Have the players stay outside of the cones and kick it in once they are past the goal
- 4) Have the players stay outside of thenes and kick it in once they are past the goal

GOAL: Foot Skills and Confidend

Defenders:

Set-up the pop up goals in pairs (approx. 15 ft apart). Set-up 3-4 Pool noodles for each goal (1-3 inches apart). The setup should have a special setup of pool noodles for each goal.

- 3 center
- 3 left
- 3 right
- 2 on each side

Drill: Instruct the players to avoid the “defenders” and try to score around them.

Ball skills: get around a "player" and foot skills

-----OR-----

4-Goals:

Set-up the pop up goals in a square facing each other (approx. 15 ft apart). Set-up either one Poolnoodle (dead center) or 4 in a square (about 3 f wide).

Drill: Players dribble from outside the goals and around the center noodle then shoot/dribble to goal. If using the 4-noodles, players dribble in one side then out another.

GOAL: Shooting Skills

Foot skills and Reaction

Red Light Green Light:

Set-up the two lines of short cones across from each other.

Drill:

1. Start with everyone along the starting line (cones) with a soccer ball at their feet.

Coach says: 'Green Light' players will move towards the finish line moving their soccer ball with them.

2. When coach says: 'Red Light' players must immediately stop.

3. If players are still moving when you call 'Red Light', they must go back to the starting line.

4. Start a new round when everyone gets across the finish line or when most players make it across the finish line

Kick the Coach: FUN and reaction

Set-up a circle using the small disc cones (about 10ft' Diameter).

Drill: Players attempt to kick the ball at the coach while the coach tries to dodge being hit. All players can play at the same time. Coach and/or parents shout SCORE! Every time coach gets "kicked".

Hoop Run: Set-up two paths using the PEX hoops. The paths should go towards a side then to the goal. **GOAL: Agility with ball**

Drill: Players dribble and pass through the path as fast as they can then score a goal at the end.

▲ Partner Passing:

Set-up 2 lines of 5 PEX hoops in a line. 3 cones to show the start line of the two lanes.

Drill: Pair players up with Parents and instruct players and parents to stay on their side of the hoops and move down the line passing back and forth through each hoop.

Advanced players can be paired together instead of parents.

Shark and Minnows:

Set-up the two lines of short cones across from each other.

Drill:

1. Pair up players, with one as a minnow and the other the shark. After 5 minutes flip roles.
2. The minnows, the players with the ball, attempt to swim from one end line to the other while keeping their ball away from the sharks.
3. The sharks attempt to gain possession of the ball.

The FUNdamentals of a great season

Here's the secret to youth soccer: It's the experience that keeps them coming back, not the X's and O's

Focus on Growth – not your record – because that's what you will remember too.

Be sure to celebrate your team at the end of the season and remind them how much they have grown.
