Obtaining Required Information for Plan Completion:

Draft Copy:

- A draft copy will be prepared and provided to Client within 72 hours of receiving ALL "necessary" information required to complete the SSSP.
 - ❖ For an additional fee, expedited draft copies will be provided within 24 hours of receiving all "necessary" information. See *Fees and Payments* below.
- Client will review the draft copy and provide the Preparer with corrections and any additional "necessary" information needed for completion.

Final Copy:

- Upon Client approval, the final submission draft will be provided to client for submission to the GC SSHO.
