

Master Critical Global Health & Development Skills

Organization: AF Development Care (AFDC)

Status: Ongoing Course

Contact: Sachi Satapathy, Director, afdcdirector@gmail.com

Program Overview

This **3-hour, customizable training** by AF Development Care is designed for NGO, humanitarian, development, and relief professionals. Choose one high-demand topic from critical global health and development areas to gain practical skills and tools for project management and monitoring & evaluation (M&E). Tailored to meet the needs of international global development agencies like WHO, UNICEF, UNFPA, and UNDP, this training prepares you for competitive roles in global health and development.

Duration: 3 Hours (live virtual session)

Dates: Flexible scheduling; register at least 7 days in advance

Location: Virtual (Online)

Course Fee: USD 98 (includes materials, tools, and certification)

Registration Deadline: Rolling applications

Who Should Attend?

- **NGO Professionals:** Working in humanitarian, health, or development sectors.
- **Humanitarian Workers:** Engaged in disaster relief or crisis response.
- **Policymakers & Health Practitioners:** Seeking to influence or implement health programs.
- **Development Specialists:** Aiming for roles with UN agencies or international NGOs.

Prerequisites: Basic understanding of NGO/humanitarian work; medium-level English proficiency.

Training Topics

Select one high-demand topic for your tailored 3-hour training:

- **Sexual and Reproductive Health and Rights (SRHR):** Promote universal access using rights-based approaches.
- **Reproductive Justice:** Address systemic inequalities in reproductive health.
- **Maternal, Newborn, Child, and Adolescent Health (MNCAH):** Reduce mortality with evidence-based interventions.
- **Adolescent Sexual and Reproductive Health (ASRH):** Design youth-focused SRH programs.
- **Health Policy and Advocacy:** Influence sustainable health policies.
- **Family Planning:** Advance rights-based strategies.
- **Comprehensive Abortion Care:** Deliver safe care per global standards.
- **Reproductive Health in Humanitarian Settings:** Provide SRH in crises.
