FREQUENTLY ASKED QUESTIONS (FAQ)

WHO WILL OWN THE DOMAIN?

You will have full rights and complete ownership of the domain.

The domain will be registered in your name, and you will have direct access to it at all times.

WHO WILL OWN THE HOSTING AND TECHNICAL ACCESS?

To make the website affordable for freelancers, we provide hosting on a shared hosting environment.

Because of this setup:

- We do not provide cPanel access
- All technical handling, security, and maintenance are managed by Zeal Mentor

This ensures your website runs smoothly without you needing to manage hosting complexities.

WHAT HAPPENS AFTER 1 YEAR?

After the first year, the renewal charges apply as mentioned in your chosen package.

If you decide you no longer want our services, you are completely free to opt out.

Since you own the domain, you can transfer the website anywhere you prefer.

No, there are absolutely no hidden fees.
